Riding in the Zone Ken Condon 2019-10-15 Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

The Passionate Church Mike Slaughter 2016-04-21 It's good to talk about ministry. It's better to do it, and do it passionately. In 2008, the United Methodist

Church lifted up "Four Areas of Focus" for ministry, and churches have responded. But at Ginghamburg Church, in the rust-belt town of Tipp City, Ohio, the church has been doing exciting and effective ministry in those four areas for 35 years and more. Engaging in Ministry with the Poor Improving Global Health Developing Principled Christian Leaders Creating New and Renewed Congregations The work has led to a host of creative ministries and organic growth...because they were meeting the needs of their community and their world as the hands and feet of Christ. The book comes with a built-in facilitator Guide to encourage pastor peer groups and other leadership groups interested in deepening the discussion.

Permission to be Tough: Raising Boys to be Rugged Gentlemen Tim Austin 2019-11-21 Rugged Gentlemen will not answer all the questions that surface in our parenting. I do trust it to open the awareness of simple things, which when done daily, and with a hefty dose of love, will become a starting point to recreate a society determined to develop a healthy mentality of empathy as we learn to fight a growing society rife with self-centered, potentially narcissistic adults. I intend to build an awareness of what lies before us if we continue to turn our heads and to participate in developing a new attitude: proudly show we focus more on the kind of children we are leaving the world, than the world we seek to leave them.
