Ella Enchanted Gail Carson Levine 2012-12-26 This beloved Newbery Honor-winning story about a feisty heroine is sure to enchant readers new and old. At her birth, Ella of Frell receives a foolish fairy's gift—the “gift” of obedience. Ella must obey any order, whether it's to hop on one foot for a day and a half, or to chop off her own head! But strong-willed Ella does not accept her fate... Against a bold backdrop of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella goes on a quest to break the curse forever. A tween favorite for 25 years—now shared with today's young readers by moms, teachers, and other adults who remember the pleasure of discovering this fun fairy-tale retelling themselves!

Spaces Speak, Are You Listening? Barry Blesser 2009-09-18 How we experience space by listening: the concepts of aural architecture, with examples ranging from Gothic cathedrals to surround sound home theater. We experience spaces not only by seeing but also by listening. We can navigate a room in the dark, and "hear" the emptiness of a house without furniture. Our experience of music in a concert hall depends on whether we sit in the front row or under the balcony. The unique acoustics of religious spaces acquire symbolic meaning. Social relationships are strongly influenced by the way that

space changes sound. In *Spaces Speak, Are You Listening?*, Barry Blesser and Linda-Ruth Salter examine auditory spatial awareness: experiencing space by attentive listening. Every environment has an aural architecture. The audible attributes of physical space have always contributed to the fabric of human culture, as demonstrated by prehistoric multimedia cave paintings, classical Greek open-air theaters, Gothic cathedrals, acoustic geography of French villages, modern music reproduction, and virtual spaces in home theaters. Auditory spatial awareness is a prism that reveals a culture's attitudes toward hearing and space. Some listeners can learn to "see" objects with their ears, but even without training, we can all hear spatial geometry such as an open door or low ceiling. Integrating contributions from a wide range of disciplines—including architecture, music, acoustics, evolution, anthropology, cognitive psychology, audio engineering, and many others—*Spaces Speak, Are You Listening?* establishes the concepts and language of aural architecture. These concepts provide an interdisciplinary guide for anyone interested in gaining a better understanding of how space enhances our well-being. Aural architecture is not the exclusive domain of specialists. Accidentally or

intentionally, we all function as aural architects.

The Outlaw's Mail Order Bride Linda Broday 2019-01-29 When the West was wild And man's law favored the few These extraordinary women could be found...in the heart of an outlaw. Former outlaw Clay Colby is abuzz with his mail order bride's expected arrival. He's fought long and hard to drag Devil's Crossing out of lawlessness...so when his homestead is set ablaze by a bitter rival, he's heartbroken. There's no woman in the world who'd stand by him now. But Tally Shannon is no ordinary woman. After escaping the psychiatric hospital in which she was wrongfully detained, Tally only wants someone to protect her and the little girl under her care. She doesn't mind that Clay's home is dang near burned to the ground—not when he makes her feel so safe. So cherished. But it's only a matter of time before the ghosts of her past come calling...and her loving cowboy must defend his new bride—and the family they built together—to his very last breath.

What People Are Saying About Linda Broday: "Fans of classic Western tales will delight in the rough-and-tumble world Broday creates..." —RT Book Reviews for To Love a Texas Ranger "A shining example of the talent of one of the best historical western authors." —Fresh Fiction for Forever His Texas Bride "Broday's Westerns

always captivate with realistic settings, rugged cowboys and feisty heroines." —RT Book Reviews, 4 Stars for Forever His Texas Bride

Mama's Day Linda Ashman 2011-11-29 Whether she is walking down a busy street or sitting by the ocean, a mother always has just the special touch to let her little one know that he is loved, in a touching tale with full-color illustrations.

Under the Skin Linda Villarosa 2022-06-14 From an award-winning writer at the New York Times Magazine and a contributor to the 1619 Project comes a landmark book that tells the full story of racial health disparities in America, revealing the toll racism takes on individuals and the health of our nation. In 2018, Linda Villarosa's New York Times Magazine article on maternal and infant mortality among black mothers and babies in America caused an awakening. Hundreds of studies had previously established a link between racial discrimination and the health of Black Americans, with little progress toward solutions. But Villarosa's article exposing that a Black woman with a college education is as likely to die or nearly die in childbirth as a white woman with an eighth grade education made racial disparities in health care impossible to ignore. Now, in Under the Skin, Linda Villarosa lays bare the forces in the American health-care system

and in American society that cause Black people to “live sicker and die quicker” compared to their white counterparts. Today's medical texts and instruments still carry fallacious slavery-era assumptions that Black bodies are fundamentally different from white bodies. Study after study of medical settings show worse treatment and outcomes for Black patients. Black people live in dirtier, more polluted communities due to environmental racism and neglect from all levels of government. And, most powerfully, Villarosa describes the new understanding that coping with the daily scourge of racism ages Black people prematurely. Anchored by unforgettable human stories and offering incontrovertible proof, *Under the Skin* is dramatic, tragic, and necessary reading.

Witchcraft, Demonology and Magic Marina

Montesano 2020-05-20 Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or

misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories, investigating a plurality of causes.

Dark Thirst Donna Hill 2004-10-01 A collection of vampire tales with an African American flavor includes six tales of the undead by some of today's leading African American writers, including Omar Tyree, Donna Hill, and Monica Jackson.

The Demon Hunter Kevin Emerson 2014-08-26 It's

scary to know the fate of the world lies in your hands—but even scarier to learn that it might be in your brother's. It's the last night of summer and Oliver is hoping to have some fun with his two best friends. Once school starts, he'll be one step closer to receiving his demon . . . and fulfilling the prophecy to open the Nexia Gate. Meanwhile, a series of gruesome animal attacks on humans has threatened to expose the vampire world. The evidence points to Oliver's brother, Bane, who has recently acquired Occupying power—the ability to inhabit animals. Yet Oliver, Emalie, and Dean suspect something else is going on—a sinister plot that involves Oliver's destiny, and possibly the mystery surrounding his human parents. Bane may hold the key to Oliver uncovering his past and changing his future—if the Half-Light Consortium doesn't get to him first.

Saving the Mail Order Bride Linda Broday 2019-04-30 "Beautifully written, enduring stories of love."—JODI THOMAS, New York Times bestselling author *When the West was wild* And man's law favored the few These extraordinary women could be found... ..in the heart of an outlaw. He may be a wanted man, but all outlaw Jack Bowdre ever desired was a second chance. Now he's on his way to jail, completely unaware that his

unexpected—and unexpectedly beautiful—traveling companion is none other than Nora Kane...his mail order bride. It's too bad Nora doesn't know Jack is her groom-to-be. All she sees is a scoundrel. But when their stagecoach crashes and the truth comes spilling out, they're suddenly left to fend for themselves—and each other. The longer they're together, the stronger their feelings grow. Hounded by desperate men bent on doing them harm, Nora and Jack will do whatever it takes to find their happily ever after...but first, they'll have to shake the devil from their trail.

The Exorcist William Peter Blatty 2011-10-04

Originally published in 1971, *The Exorcist* remains one of the most controversial novels ever written and went on to become a literary phenomenon. Inspired by a true story of a child's demonic possession in the 1940s, William Peter Blatty created an iconic novel that focuses on Regan, the eleven-year-old daughter of a movie actress residing in Washington, D.C. A small group of overwhelmed yet determined individuals must rescue Regan from her unspeakable fate, and the drama that ensues is gripping and unfailingly terrifying. Two years after its publication, *The Exorcist* was, of course, turned into a wildly popular

motion picture, garnering ten Academy Award nominations. On opening day of the film, lines of the novel's fans stretched around city blocks. In Chicago, frustrated moviegoers used a battering ram to gain entry through the double side doors of a theater. In Kansas City, police used tear gas to disperse an impatient crowd who tried to force their way into a cinema. The three major television networks carried footage of these events; CBS's Walter Cronkite devoted almost ten minutes to the story. *The Exorcist* was, and is, more than just a novel and a film: it is a true landmark. Purposefully raw and profane, *The Exorcist* still has the extraordinary ability to disturb readers and cause them to forget that it is "just a story." Published here in this beautiful fortieth anniversary edition, it remains an unforgettable reading experience and will continue to shock and frighten a new generation of readers.

Neeb's Fundamentals of Mental Health Nursing

Linda M Gorman 2014-02-12 Here's the must-know information LPN/LVN students need to care for patients with mental health disorders where they'll encounter them—in general patient care settings. important communication techniques to use with your patients, ethical and legal issues, and alternative and complementary treatments.

Demon House A. N. Willis 2022-01-06

Eat Pray Love Elizabeth Gilbert 2010-06-29 Traces the author's decision to quit her job and travel the world for a year after suffering a midlife crisis and divorce, an endeavor that took her to three places in her quest to explore her own nature, experience fulfillment and learn the art of spiritual balance. (Biography & autobiography). Reissue. A best-selling book. Movie tie-in.

Demon Seed Dean Ray Koontz 1997 A computer with human-like qualities of artificial intelligence develops criminal obsessions and takes over the completely automated home of Susan Harris

I Am Nujood, Age 10 and Divorced Nujood Ali 2010 The true story of a Yemeni child bride describes her forced marriage to an abusive husband three times her age, her pursuit of the marriage's dissolution, and the cultural factors that place girls at risk in Yemeni society.

This Is the Church Brad A. Brown 2003-03 This Is the Church ... is a powerful, entertaining novel about the trials and triumphs of Our Father's Evangelical Church of Monument, California. The town's namesake is a 100-foot, Mount Rushmore-like

carving of the left half of Rudolph Valentino's face from his 1921 movie, *The Sheik*. The main character is Ian Block, son and grandson of present and former deacons at the church. Ian tells of his very first impressions of the church, starting in the second grade, and its impact on his young life. He is greatly influenced by his fifth- and sixth-grade Sunday school teacher, the portly "Synopsis" Sid Barrington. As Ian grows up, he discovers that his adult foundation is in fact the lessons learned from his Sunday school days, especially those from Sid Barrington. From church splits to first kiss, from solving the mystery of his grandfather's defection from the church to coming to grips with mid-life, *This Is the Church ...* touches on the life lessons flung at anyone who has ever been involved with a local church: friendships, loyalty, accountability, racism, sexuality, marriage, politics, tithing, and evangelism. *This Is the Church ...* is also a heartfelt tribute to the backbone of the local church-the Sunday school-and to everyone who has even been, or ever will be, a committed Sunday school teacher-heroes and heroines of the twenty-first century.

Darkfall Dean Koontz 2007 Terror strikes when four hideously disfigured corpses are discovered over the course of four days.

Icons of Horror and the Supernatural S. T. Joshi

2007 Offers entries on 24 of the significant archetypes of horror and the supernatural, from the classical epics of Homer to the novels of Stephen King.

God Believes in You Holly Bea 2011-12-21 Holly Bea's beloved bullmastiff, Buddy, is having a bad day. Left alone to guard the house, he is taunted by the neighborhood cats, who know that he can't touch them. Buddy is worried—will Holly be back soon, or is she gone for the day, or even forever? Much to Buddy's relief, Holly returns. They go to the park, but Buddy's fun is cut short by a pack of hostile squirrels and a team of Dalmatian firedogs who challenge his self-esteem. Will this day ever end? Buddy's day is a metaphor for the doubts and anxieties children face, and a soothing reminder that God will always be there for them.

Witches of the Deep C. N. Crawford 2016-06-13 Fiona and her friends are on the run from the ruthless witch-hunters, seeking refuge in the werewolf city of Dogtown. But sadly for Fiona, no sanctuary awaits them there. Plagued by its inhabitants and her own twisted past, Fiona is searching for one thing: a way out. Her only hope is to complete a series of grueling tasks set forth by a gorgeous-but terrifying-sea-demon. If she can fight her way to survival, she'll gain the chance to defeat

the hunters. But if she fails, she faces an eternity of torment that makes her current predicament seem like a walk in the park

The Book of Life (Movie Tie-In) Deborah Harkness
2022-01-04 The #1 New York Times-bestselling third installment of the All Souls series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In The Book of Life Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the present--facing new crises and old enemies. At Matthew's ancestral home, Sept-Tours, they reunite with the beloved cast of characters from A Discovery of Witches--with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its missing pages takes on even more urgency. In the third volume of the All Souls series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

Angela's Ashes Frank McCourt 2005 A heartfelt

account of poverty in Ireland and emigration to America. -- back cover.

The Cult of Smart Fredrik deBoer 2020-08-04
Named one of Vulture's Top 10 Best Books of 2020!
Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top-to-bottom reform. Everyone agrees that education is the key to creating a more just and equal world, and that our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically-proven fact that we all understand intuitively: Academic potential varies between individuals, and cannot be dramatically improved. In *The Cult of Smart*, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural, and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences,

progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented. But we'll never achieve this dream until the Cult of Smart is destroyed.

The Immortal Life of Henrietta Lacks Rebecca Skloot

2010-02-02 #1 NEW YORK TIMES

BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly
NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE
• ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was

Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over

the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Mercy Debra Anastasia 2017-07-25 MERCY He taught me to kill. Murder is in my blood now. It runs through my veins and though I hide the monster I see in the mirror with ink, it doesn't keep him from coming out. My street name is Mercy, but I never show any. Except for her. I watch Becca, though she doesn't know. She saved me a long time ago; the day my father killed my mother. Her bravery turned her into a target. My father holds a grudge and knife with the same proficiency, and Becca is the focus of his hatred. And I'm the only monster who can save her.

Along Came a Demon Linda Welch 2013-01-11 I'm told the dead are all around us. I wouldn't know about that, I see only the violently slain. They can

be victims of hit-and-run, innocents caught in a cross-fire, the murdered. They whisper to me and they never, ever, forget the face of their killer. I've learned to live with my uncanny ability, in fact I've made a career out of it. The departed aren't the only supernaturals I see. No, they're not vampires or werewolves or fae - those things don't exist. We live side by side with what some call the Otherworldy. That's too much of a mouthful for me, I call them demons. If you saw them as I do, you'd know why. Right now I'm trying to track down a missing six year-old boy whose mother was murdered. Or maybe she wasn't. To further complicate the case, Clarion PD gave me a partner I'd rather shoot than work with. I can't tell them he's a demon. They'd think I'm crazy. I'm Tiff Banks. Welcome to my world.

The Red Linda Nagata 2015-06-30 "Hazard notice: contains military grade profantiy"--Back cover.

The Demonic Lee Mountford 2017-08-04 DANNI MORGAN THOUGHT SHE KNEW FEAR, BUT SHE IS ABOUT TO FIND OUT WHAT IT IS TO BE TRULY AFRAID. Years ago a young girl ran away from her childhood home and vowed never to go back. It was a place of fear, pain and misery at the hands of an abusive father. But now her father is dead, and she is forced to break that vow and return home-to lay his body to rest and face up to the

ghosts of her past. However, Danni is about to learn that some ghosts are more real than others.

Something beyond her understanding waits for her there, lurking in the shadows. An evil that intends to kill her family and claim her very soul. Experience supernatural horror in the vein of THE CONJURING, INSIDIOUS and the legendary GHOSTWATCH. THE DEMONIC will get under your skin, send chills down your spine and have you sleeping with the lights on!

Whispers Dean R. Koontz 2006 Hilary Thomas, a screenwriter scarred by childhood abuse, and Tony Clemenza, an ace cop and would-be artist, plunge into a love affair while pursuing the psychopath who brutally assaulted Hilary.

Incidents in the Life of a Slave Girl Harriet Ann Jacobs 1861

Marked by Death Kaje Harper 2020-10-23 Asking a necromancer for help is scary; falling for him may be downright terrifying. Darien Green's afraid he's going insane. The voices in his head are getting louder, weirder, and more numerous. But tattoos appearing on his skin say that there might be a magical reason, something other than his own brain going around the bend. He's worked up the nerve to ask the local necromancer for help. Now he just has to survive his encounter with tall, dark, and talks-to-

ghosts. Necromancer Silas Thornwood doesn't appreciate being woken out of his bed by a stranger pounding on his door. But when that stranger turns out to be a half-frozen young man with an unexpected appeal, Silas can't turn him away. Even Grim, his cat-familiar, agrees—in a world of death and demons, protecting gorgeous, ghost-ridden Darien is Silas's next difficult job.

Proofreading, Revising & Editing Skills Success in 20 Minutes a Day Brady Smith 2003 This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

Apocalypse Happens Lori Handeland 2015-03-03 In a world gone mad, who can be trusted? As the leader of the forces of light, it's me, Liz Phoenix, who is front and center in the effort to save mankind from destruction. Sometimes my supernatural abilities, combined with those of a half vampire and a Navajo shaman, shape-shifter, are all that stand between the human race and Armageddon. But could one, or both, of them be working for the other side? I've trusted these men with my life, time and time again, but when the end is near, can I trust

them to be the saviors of every person on earth?

Kentucky Stock Farm Andrew G. Leonard 1887

The Psychosocial Implications of Disney Movies

Lauren Dundes 2019-07-11 In this volume of 15

articles, contributors from a wide range of

disciplines present their analyses of Disney movies

and Disney music, which are mainstays of popular

culture. The power of the Disney brand has

heightened the need for academics to question

whether Disney's films and music function as a tool

of the Western elite that shapes the views of those

less empowered. Given its global reach, how the

Walt Disney Company handles the role of race,

gender, and sexuality in social structural inequality

merits serious reflection according to a number of

the articles in the volume. On the other hand, other

authors argue that Disney productions can help

individuals cope with difficult situations or embrace

progressive thinking. The different approaches to

the assessment of Disney films as cultural artifacts

also vary according to the theoretical perspectives

guiding the interpretation of both overt and latent

symbolic meaning in the movies. The authors of the

15 articles encourage readers to engage with the

material, showcasing a variety of views about the

good, the bad, and the best way forward.
