An Italian Journey Celebrating the Sweet Life of Tuscany James Ernest Shaw 2013-09-14 A celebration of the Italian spirit! This edition of AN ITALIAN JOURNEY includes over forty beautiful photographs of the gorgeous Tuscan countryside. The story begins with a girl. Then it was Italian food. After that it was books and discovering that even Mark Twain had fallen for Italy. E.M. Forster was smitten too: Love and understand the Italians, for the people are more marvelous than the land. WHAT IS IT ABOUT ITALY AND ITALIANS? Italian movies immortalize the mystique. Fellini called it La Dolce Vita. Tornatore's Cinema Paradiso took James Shaw back to the sweet memories of his childhood and the Italian family who operated the hometown theater. And just like in the movie, young James had an Alfredo who, by example, taught him about serving people. James learned that Italians don't feel they're special. Luigi Barzini, author of The Italians, repeatedly asked, Why are we the way we are? and found no conclusive answer. But James was convinced there was a reason why the Renaissance was born in Tuscany and Italy has given the world Saint Francis, Michelangelo, da Vinci, Galileo and now Benigni, whose film Life Is Beautiful showed the world that the Italian zest for living can even make a heaven of a hell. And so, after a lifetime of thinking about Italy James became convinced that the way to find out why Italians are the way they are, would be to eat with them at their kitchen tables. Day after day he picked their olives and the Italians began treating him like family. And James began seeing their unique human quality that attracts people to Italy and keeps pulling them back again and again. But the story doesn't end in the olive groves of Tuscany. To discover the heart of Italian life, James had to travel back to World War II Italy. An Italian Journey will inspire you to follow your passions, your enthusiasms, to your own Beautiful Discoveries. BELLA SCOPERTA!

Board Member Orientation Michael E. Batts 2011-02-01 Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooey Alerts! Watch for Hooey Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA ***** The Simple Board Member Orientation Process Using This Book: 1.Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2.You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3.You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

Pick this up, and start engaging your team and making more GREEN - Phil Gerbyshak, author of The Naked Truth of Social Media "Our large-scale research shows unequivocally that engaged employees are more likely to work longer, try harder, make more suggestions for improvement, recruit others to join their company, and go out of their way to help customers. They even take less sick time. Companies can tap into the enormous value of engaged employees by following the 15 ideas that Stan lays out in this book." - Bruce Temkin, author of The Six Laws of Customer Experience "Too often, the actual employment experience delivered on the job does not measure up to the version sold to job candidates during the interview process. In What's Your Green Goldfish, Stan Phelps offers 15 ways to close the gap." - Steve Curtin, author of Delight Your Customers: 7 Simple Ways to Raise Your Customer Service from Ordinary to Extraordinary (AMACOM, June 2013) "In What's Your Green Goldfish, Stan Phelps brilliantly applies the idea of 'doing a little something extra' for employees. You know, those people that actually get the work done and keep customers happy. Read it, put some of the ideas to work, and soon you'll be reaping more 'green' from your customers." - Bob Thompson, Founder and CEO, CustomerThink Corp.

A Ragamuffin Christmas Daliessio Craig 2012-11 What if you had been there on the night that Jesus was born? What if you could have held the infant Son of God, when He was only a few minutes old? How would it feel to have God Himself in your arms, vulnerable, approachable, and unassuming? In "A Ragamuffin Christmas" Craig Daliessio provides just that view of the Nativity. Far from the usual retelling of a baby, some shepherds, and the Virgin Mary; this is the story of criminals, broken hearted moms, scandalous characters, and legendary Saints, each granted their own visit with the newborn King of Kings. The people and images are unmistakable...and the result of each interaction is life changing. This is the Christmas story as it's never been told before.

Free Roll Brandt Tobler 2017-05-22 Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.
