Regulation of Investigatory Powers Bill Great Britain. Parliament. House of Commons 2000 The main purpose of the Bill is to ensure that investigatory powers: interception of communications and acquisition of data, eg billing data; intrusive or covert surveillance; the use of covert human intelligence sources; and access to encrypted data, are used in accordance with human rights. For each of these powers, the Bill will ensure that the law clearly covers: the purposes for which they may be used; which authorities can use the powers; who should authorise each use of the power; the use that can be made of the material gained; independent judicial oversight; and a means of redress for the individual.

Chilton Labor Guide (Chilton) Chilton 2003-12-01 Professional technicians have relied on the Chilton Labor Guide estimated repair times for decades. This latest edition expands on that reliability by including technical hotline feedback and research from professional labor experts. The labor times reflect actual vehicle conditions found in the aftermarket, including rust, wear and grime. Available in both hardcover and CD-ROM, this completely revised manual provides thousands of labor times for 1981 through current year domestic and imported vehicles. All times reflect technicians' use of aftermarket tools and training.
