Universal Meta Data Models David Marco 2004-03-25 The heart of the book provides the complete set of models that will support most of an organization's core business functions, including universal meta models for enterprise-wide systems, business meta data and data stewardship, portfolio management, business rules, and XML, messaging, and transactions. Developers can directly adapt these models to their own businesses, saving countless hours of development time. Building effective meta data repositories is complicated and time-consuming, and few IT departments have the necessary expertise to do it right—which is why this book is sure to find a ready audience. Begins with a quick overview of the Meta Data Repository Environment and the business uses of meta data, then goes on to describe the technical architecture followed by the detailed models.

Nonprofit Meetings, Minutes & Records Anthony Mancuso 2018-02-21 Nonprofit? Stay out of IRS trouble with the ultimate corporate housekeeping tool! Nearly 1.5 million nonprofit organizations are busy preserving historic sites, saving libraries,

helping the homeless, greening our cities--and so much more. Yet, while some have sophisticated record-keeping systems, most nonprofits are staffed by volunteers who need help running the organization and keeping up a proper--and legal--paper trail. Help has arrived! With *Nonprofit Meetings, Minutes & Records*, you'll get the all-in-one solution every nonprofiteer needs to hold meetings and document actions taken by board members. Step by step, it walks readers through: calling meetings appointing officers taking minutes making resolutions voting on proposals adjourning meetings working with a lawyer, if necessary, and finding a tax adviser. *Nonprofit Meetings, Minutes & Records* also provides useful tips and advice on how to do important tasks, such as organizing records, preparing meeting folders, and taking minutes. Plus, all necessary legal documents are included for you to fill out. It's everything you need to keep your nonprofit running smoothly and legally.
