With an approachable, easy-to-use and sometimes humorous attitude this text shows you how to become a better problem-solver and a valued business professional.

Too Much is Not Enough! Beth R. Bernhardt 2014 "Almost one hundred presentations from the thirty-third annual Charleston Library Conference (held November 6-9, 2013) are included in this annual proceedings volume. Major themes of the meeting included open access publishing, demand-driven acquisition, the future of university presses, and data-driven decision making. While the Charleston meeting remains a core one for acquisitions librarians in dialog with publishers and vendors, the breadth of coverage of this volume reflects the fact that this conference is now one of the major venues for leaders in the publishing and library communities to shape strategy and prepare for the future. At least 1,500 delegates attended the 2013 meeting, ranging from the staff of small public library systems to the CEOs of major corporations. This fully indexed, copyedited volume provides a rich source for the latest evidence-based research and lessons from practice in a range of information science fields. The

contributors are leaders in the library, publishing, and vendor communities"--  
Interactive InDesign CC Mira Rubin 2013-10-23 With a growing focus on digital destinations, the publishing landscape is evolving at a dizzying speed and InDesign CC is at the forefront of the digital frontier. This title is published by Franklin Watts EDGE, which produces a range of books to get children

reading with confidence. EDGE - for books children want to read, and books children can read.

Editing and Publishing e-Books Nicolae Sfetcu 2015-01-01 You wrote a book. Very nice. But you didn't write to keep it for you. You should publish it. The problem is that the publishers charge high prices for some authors pockets, and do it objectively, due to the high cost of printing. But you allowed that luxury, and now you have a printed book, with you as the author. You can keep hundreds or thousands of volumes in your personal library and give it as a gift to your friends in special occasions, or try to distribute in various libraries. You managed to distribute it, the book is beautifully placed in shelves. In time, dust is spread on covers. After a while, the book is withdrawn. It remains to use it as decoration at home, or support for various household items. But lucky for you, there is an alternative, cheaper and more effective, in selling your book: e-Books! e-Book and online publishing market has evolved rapidly in recent years, and a lot of companies have entered this market, as publishers, online bookstores, or promoting e-books.

Four Shades of Gray Simon Peter Rowberry 2022-04-05 This first book-length analysis of Amazon's Kindle explores the platform's technological, bibliographical, and social impact on publishing. Four Shades of Gray offers the first book-length analysis of Amazon's Kindle and its impact on publishing. Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications, then considers the consequences of having a single company control the direction of the publishing industry. Exploring the platform from the perspectives of technology, texts, and uses, he shows how the Kindle challenges traditional notions of platforms as discrete entities. He argues that Amazon's influence extends beyond "disruptive technology" to embed itself in all aspects of the publishing trade; yet despite industry pushback, he says, the Kindle has had a positive influence on publishing. Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights, an account of the digitization of books published after 1922, and a discussion of how Amazon's patent filings reflect a shift in priorities. Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon, doing so has had adverse consequences for publishers in the mid- and long term, limiting opportunities for developing an inclusive and forward-thinking digital platform. While it has forced publishers to embrace digital forms, the Kindle has also empowered some previously marginalized readerships. Although it is still too early to judge the long-term impact of ebooks compared with that of the older technologies of clay tablets, the printing press, and offset printing, the shockwaves of the Kindle continue to shape publishing.

EDGE : I, Hero Quests: Earth Attack: Tyranno Quest 4 Steve Skidmore 2012-10-25 As Tyranno prepares to unleash his alien armies on Earth, only one person stands in his way - YOU! Your quest is to save the planet by defeating Tyranno. But the evil Starlord is strong and powerful. It will take all your skill and strength

to free the universe from the grip of Tyranno. All you need to do is make the right choices... You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. We believe this title will be of interest to readers aged 7+ and to older readers who struggle with reading. EDGE - for books kids can't put down.

Ghidul autorului de cărți electronice Nicolae Sfetcu 2015-01-01 Ai scris o carte. Foarte frumos. Dar nu ai scris-o pentru a o pune pentru tine. Trebuie să o publici. Problema este că editurile percep prețuri foarte mari pentru buzunarele unora dintre autori, și aceasta în mod obiectiv, datorită costurilor mari de tipărire. Dar și-ai permis acest lux, și acum ai o carte tipărită, cu tine ca autor. Poți să pstrezi sutele sau miile de volume în biblioteca personală și să o faci cadou prietenilor la diverse ocazii, sau să încerci să o distribuie în diverse librării (care librării, că nu prea mai sunt!). Ai reușit să o distribuie, cartea este plasată frumos în rafturi. În timp, se așează praful pe copertă. După un timp, cartea este retrasă. Mai rămâne să o folosești ca decor în casă, sau suport pentru diverse obiecte casnice. Dar, spre norocul tău, există o soluție alternativă, mult mai ieftină și mai eficientă în vânzarea cărții tale: cărțile electronice! Piața cărților electronice și a editurilor online a evoluat rapid în ultimii ani, și o mulțime de companii au intrat pe această piață, ca edituri, librării online, sau pentru promovarea cărților electronice.

Ice Strike: Tyranno Quest 3 Steve Skidmore 2012-10-25 Your quest is to defeat Tyranno. But he is sending Arktos, evil ruler of Iceworld, to attack Earth. Use your DART suit to travel across space to destroy Arktos and his alien forces. Capture his Staff of Power and use it to upgrade your DART suit. But will YOU make the right choices to get that far? You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. We believe this title will be of interest to readers aged 7+ and to older readers who struggle with reading. EDGE - for books kids can't put down.

Operations Strategy Terry Hill 2017-10-12 This new core textbook, underpinned by rigorous academic research and industry best-practice, offers a practical approach designed to provide students with the tools and techniques required to design and develop an operations strategy. Authored by two of the most well-respected authorities in the field, the book's clear and accessible content explains how operations strategy can create value for an organisation and positively impact on business performance. Case studies with international relevance and which draw on examples from a wide range of industry sectors help students to link theory and practice, develop analytical and problem-solving skills, and gain an understanding of operations strategy in the real world. This textbook caters primarily for MBA students studying modules in Operations Strategy or Operations Management, and is also suited to postgraduate students studying Operations Strategy on specialist courses such as Operations and Supply Chain Management or Logistics and Operations Management. In addition, this is an important text for final year level undergraduate students studying Operations Strategy or Strategic Operations Management.

Pirate Gold Steve Skidmore 2012-03-08 You are an adventurer sailing with Francis Drake. You set a course to attack Spanish ships carrying gold and silver. Can you defeat the Spanish and steal the treasure? Or will you choose another path? You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. EDGE - for books children want to read, and books children can read.

Why Digital Displays Cannot Replace Paper Hirohito Shibata 2020-11-11 From readability to operability, this book presents a number of experiments to analyze the characteristics of paper and digital displays in reading and writing. Why is it easy to read on paper? Why is it easy to concentrate on reading on paper? Why is it easy to think while writing or drawing on paper? This book answers these questions based on cognitive experiments on media. Paper is easy to read because it is easy to handle. If we emphasize the strengths of paper, paper is an operation media rather than a presentation media. These experiments also

indicate how to develop digital media for reading and writing. This book will interest those who want to gain a scientific understanding of reading and writing on paper, those who want to work more effectively by selectively using paper and digital tools (e.g. knowledge workers and educators), and those who develop digital devices or services for reading and writing.

Speed Reading in the Electronic World Debbie Drum 2019-11-29 If I told you that you could read an entire digital book in an afternoon, would you believe me? When we were taught how to read growing up, we were taught to read slowly. These poor reading habits hold us back, and it's why so many people don't enjoy reading. But reading can be faster, more fun, and more fulfilling than ever before once you learn the best reading strategies for your [learning type?]. In this short book, you'll discover proven strategies to read faster WITHOUT having to: Practice speed-reading techniques for hours and hours Skim text and risk

missing crucial information Read cliff notes or shortened versions of a book This book combines the best lessons from speed reading techniques, neuroscience, and modern technology to allow you to read faster and comprehend more than you ever thought possible—and you will start reading faster today! Say Goodbye to Slow Reading Forever! I have always been a slow reader. I could never focus long enough to read an entire book. I often forgot what I had just read, and had to re-read sentences over and over again. Reading was a frustrating, slow, and painful experience, so I tried to make up for my poor reading skills by studying more and working harder. And it worked... but I wanted more. I wanted to be able to read more, learn more, and, most importantly, remember more. If you've quit reading more books than you can remember because of boredom or frustration, this quick read will change your life—and every book from now on will be a "quick read" for you. Everything changed when I developed this new way to get through entire books very fast... My Results: I was able to read 4 books in my first week of using the method - including the first Harry Potter Book (a book I never had time to read and would never imagine getting through the entire thing). In **SPEED READING IN THE ELECTRONIC WORLD** you will discover: The exact method to read books faster than you would have ever imagined Stop getting discouraged about books taking too long to get through Start reading more books your friends and colleagues recommend to you No more going back to re-read the same content over and over because you can't concentrate or focus (this won't happen anymore) How to comprehend and retain more of what you are reading Specific techniques to use so you remember what you're reading Method reduces zoning out and losing focus so reading content the first time will stick more in your brain How to accelerate your learning Fast readers have a huge advantage to learn faster and become more successful as a result Utilize your new superpower to learn anything you've always wanted to learn Impress your friends and your colleagues with the new you This is perfect if you: Need to study for an exam Need to learn new business skills for your career Or...if you just want to breeze through your favorite fiction books so you can read more of them in a shorter amount of time. Make the small investment in you to gain this new superpower you can use for the rest of your life. This will open up an entire new world for you and it's just one click away - **BUY NOW**

The Ebook Revolution Kate Sheehan 2013 The book ecosystem is radically changing, and libraries must change with it. This book tackles the controversial discussion about eBooks and explores librarian-driven solutions and visions for the future of libraries in the 21st century.

Harbrace Essentials Cheryl Glenn 2018-01-01 More detailed than a pocket handbook yet briefer than a concise handbook, **HARBRACE ESSENTIALS**, 3rd Edition, provides all the authority of the Harbrace tradition in an ideal length and portable format. Clear and concise explanations outline the essentials students need to write their papers, including instruction on the rhetorical contexts that affect their choice of grammatical constructions, style, punctuation and

mechanics, as well as strategies for writing paragraphs and essays, conducting research and documenting sources. This edition includes knowledge transfer exercises throughout that show students how to apply the skills they're learning to other courses and contexts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Selling Rights Lynette Owen 2014-10-17 Selling Rights has firmly established itself as the leading guide to all aspects of rights sales and co-publications throughout the world. The seventh edition is substantially updated to illustrate the changes in rights in relation to new technologies and legal developments in the United Kingdom and the rest of the world. This fully revised and updated edition includes: coverage of the full range of potential rights from English-language territorial rights through to serial rights, permissions, rights for the reading-impaired, translation rights, dramatization and documentary rights, electronic and multimedia rights More detailed coverage of Creative Commons and Open Access The aftermath of the Digital Economy Act 2010, the Hooper Report and new UK Statutory Instruments affecting copyright Updated coverage of book fairs The implications of adding e-book rights to print licences A separate chapter on collective licensing via Reproduction Rights Organizations The impact of new electronic hardware (e-readers, tablets, mobile phones) – the distinction between sales and licences the rights implications of acquisitions, mergers and disposals updates on serial rights, including online New appendices listing territories normally sought as exclusive by UK publishers and a glossary of rights specific terms. Selling Rights is an essential reference tool and an accessible and illuminating guide to current and future issues for rights professionals and students of publishing.

Libri digitali. Come costruirli Mario Canton 2019-02-02 Il mercato ha visto una crescita vertiginosa nella diffusione dei dispositivi di lettura per i libri digitali. Questo libro passa in rassegna le procedure per la creazione, il trattamento e la modifica dei file ePub con incorporati font, immagini, audio e video. I file ePub possono essere utilizzati per creare non solo libri, ma anche riviste, opuscoli, brochure e quant'altro potrebbe essere necessario produrre in editoria. Questo testo si occupa anche dei dettagli di conversione dall'ePub ad altri formati in modo da poter coprire tutti i dispositivi mediante la creazione di un solo formato e-book. Si è cercato non solo di illustrare le nozioni di base per chi non abbia alcuna conoscenza preventiva di HTML, CSS, etc. ma anche di consentire un utilizzo del libro come riferimento per coloro che conoscono già la materia. L'acquisto del libro dà la possibilità di scaricare un file ZIP di oltre 60MB di esempi ed esercitazioni oltre a consentire al lettore di creare i propri file senza richiedere applicazioni costose. Che cosa si può fare con le conoscenze apprese da questo libro? Una cosa possibile è creare libri in formato ePub per poi venderli. Molti distributori e siti web specializzati possono vendere i libri prodotti da terzi. Questo libro è rivolto a chiunque desideri essere in grado di

creare, trattare o modificare file in formato ePub. Non è necessaria alcuna conoscenza preventiva di ePub e la difficoltà non è differente dalla capacità di imparare altri linguaggi di marcatura o programmazione. Per gli argomenti trattati nel dettaglio in questo testo si può esaminare l'indice nell'anteprima e tutti i file di esempio nel libro potranno essere estratti da un file scaricabile dal sito dell'autore. Si sottolinea che è possibile leggere questo libro seguendo un percorso sequenziale, dall'inizio alla fine, o si possono consultare solo i capitoli che interessano. Gli esempi in ogni capitolo non si basano necessariamente sul materiale creato in altri capitoli. Infine, dato che molti capitoli contengono note, suggerimenti e avvertenze, è opportuno tenere presenti queste sezioni durante la lettura. Una ampia seconda parte è dedicata ad argomenti avanzati e agli aspetti di accessibilità dei contenuti.

Liquid Scripture Jeffrey S. Siker 2017-09-01 The electronic Bible is here to stay??packaged in software on personal computers, available as apps on tablets and cell phones. Increasingly, students look at glowing screens to consult the Bible in class, and congregants do the same in Bible study and worship. Jeffrey S. Siker asks, what difference does it make to our experience of Scripture if we no longer hold a book in our hands, if we again "scroll" through Scripture? How does the "flow" of electronic Scripture change our perception of the Bible's authority and significance? Siker discusses the difference made when early Christians adopted the codex rather than the scroll and Gutenberg began the mass production of printed Bibles. He also reviews the latest research on how the reading brain processes digital texts and how churches use digital Bibles, including American Bible Society research and his own surveys of church leaders. Siker asks, does the proliferation of electronic translations reduce the perceived seriousness of Scripture? Does it promote an individualistic response to the Bible? How does the change from a physical Bible affect liturgical practice? His synthesis of the advantages and risks of the digitized Bible merit serious reflection in classrooms and churches alike.

Kindle Voyage - das inoffizielle Handbuch Matthias Matting 2014-10-28 "Kindle Voyage - das inoffizielle Handbuch. Anleitung, Tipps, Tricks" beschreibt Amazons neuesten Super-Kindle in klarem, kurzweiligem Deutsch, ergänzt von hilfreichen Illustrationen. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. EDGE - for books children want to read, and books children can read.

Der neue Kindle mit Touchscreen - das inoffizielle Handbuch Matthias Matting 2014-10-24 "Der neue Kindle mit Touchscreen - das inoffizielle Handbuch. Anleitung, Tipps, Tricks" beschreibt Amazons neuesten Einsteiger-Kindle in klarem, kurzweiligem Deutsch, ergänzt von hilfreichen Illustrationen. Es lädt zu einer spannenden Entdeckungstour durch die vielfältigen Funktionen ein und lässt den Leser auch in den Tiefen der Konfiguration nicht im Stich. Die hilfreichen Anleitungen vom Autor des meistverkauften Kindle-eBooks 2011 entstammen dem umfangreichen Erfahrungsschatz des Verfassers mit dem Kindle. "Der neue Kindle mit Touchscreen - das inoffizielle Handbuch. Anleitung, Tipps, Tricks" verrät Ihnen, wie Sie Ihren Kindle optimal einsetzen. Sie erfahren, was Sie damit lesen und betrachten können und wie Sie den E-Reader an Ihre eigenen Bedürfnisse anpassen, so dass Sie Zeit, Geld und Nerven sparen. Sie lernen, wie Sie das Gerät als Begleiter im Alltag einsetzen, der weit mehr als nur E-Books anzeigen kann. Ein großer Index erleichtert den schnellen Zugriff auf Details.

Code Mission Steve Skidmore 2012-03-08 You are a British Special Intelligence Service agent in World War II. The Germans have captured a top-secret code-breaking machine. Can you get to France and destroy it? Or will you choose another path? You are the hero of this book. Only you can decide your own destiny... Kindle version supported by the Kindle Fire, Fire HD, Fire HDX, Fire DX and Paperwhite. This title is published by Franklin Watts EDGE, which

produces a range of books to get children reading with confidence. EDGE - for books children want to read, and books children can read.
