Twice Freed Patricia St. John 2008-05-01 Onesimus is a slave. Eirene is a rich merchant's daughter. Onesimus longs to gain his freedom and Eirene's love. However, he doesn't realize where true freedom lies. He wants nothing to do with Jesus Christ. His master, Philemon, may follow the teachings of the Christ and his apostle Paul... but Onesimus has other plans.

Colonial Lives Richard E. Boyer 2000 Colonial Lives offers a rich variety of archival documents in translation which bring to life the political and economic workings of Latin American colonies during 300 years of Spanish rule, as well as the day-to-day lives of the colonies' inhabitants. Intended to complement textbooks such as Burkholder and Johnson's Colonial Latin America by presenting students with primary sources -- the raw materials on which the facts in other textbooks are based -- this reader strives to illustrate the impact of issues such as race, class, gender, sexuality, culture and religion in the daily lives of both natives and colonists alike. The concerns, struggles and perspectives of the inhabitants of colonial Latin America are reflected in transcripts of civil and criminal court cases, administrative reviews, ecclesiastical investigations, Inquisition trials, wills, and letters the editors have included in this reader. Each document is prefaced by an introduction that places it in the social and political context of the period. The book also includes a glossary of terms and lists of suggested further readings. Most uniquely, the book offers helpful thematic cross-referencing sections and an index of themes which allow instructors to easily adapt the book to their courses and to assign readings according to the criteria of their own specific curriculums.

Wake Up, Woods Michael A. Homoya 2019-10 Early in the year, our North American forests come to life as native wildflowers start to push up through patches of snow. With longer days and sunlight streaming down through bare branches of towering trees, life on the forest floor awakens from its winter sleep. Plants such as green dragon, squirrel corn, and bloodroot interact with their pollinators and seed dispersers and rush to create new life before the trees above leaf out and block the sun's rays. Wake Up, Woods showcases the splendor of our warming forests and offers clues to nature's annual springtime floral show as we walk in our parks and wilderness areas, or even in shade gardens around our homes. Readers of Wake Up, Woods will see that Gillian Harris, Michael Homoya and Shane Gibson, through illustrations and text, present a captivating look into our forests' biodiversity, showing how species depend on plants for food and help assure plant reproduction. This book celebrates some of nature's most fascinating moments that happen in forests where we live and play.

Dead of Eve Pam Godwin 2012-10-22 "The writing, the action, the

characters...I can't praise it enough. No one writes Dystopian like Pam Godwin, but this book is so much more than a post apocalyptic tale." ~ Alta Hensley, USA Today Bestselling Author A virus devastates humanity. Few men survive. The rest are monsters. The women are dead, except Evie. Through a quirk in her genetics, she survives. When her physiology begins to evolve, she must come to terms with what she is and accept her role in finding a cure. The mutated hunt her. The men brutalize her...except three. Cryptic warrior, contrite lover, caring enemy; they are fiercely protective of the last living woman, but divided in their own agendas. Can they come together to protect the only hope for humanity? Evie must survive. Heart of Eve (FREE) can be read in any order between the books. Contains erotica, alpha male, priest, sci-fi, paranormal, horror, dystopian, dark romance, apocalyptic, post-apocalyptic, adventure, action, suspense, thriller

Can I Taste It? David Weaver 2014-11-18 No man nor no woman could eat it like Nolan. The way he twirled his tongue, and slurped, sucked and hummed... there was no people or devices that could do what he'd done. The Vatican Conspiracy Peter Hogenkamp 2020-10-20 "Wow... So many twists and turns that keep you guessing... Captures your attention and doesn't let go till the end." TB Honest, ?????? A deadly attack on the Vatican City reveals an even deadlier conspiracy within its walls... When Marco Venetti left the military, he thought his days of violence were behind him. But now a beautiful woman is begging for his help. Her daughter has been kidnapped to force her to smuggle a gang of killers into the country. If she disobeys, her family will die. Determined to protect her, Marco goes on the hunt. But after a terrifying battle on a rocky island off the Italian coast, he finds a map on one of the men's bodies that reveals their ultimate goal: a deadly terrorist attack on the Vatican City itself. Marco races to prevent a bloodbath in the heart of Rome, but the terrorists are more dangerous than he knew. A nuclear weapon is missing, and the CIA, Russians and Israelis are too busy fighting to prevent it falling into the wrong hands. The only person Marco can trust is himself. He must track down and kill his enemy... but the Vatican is home to secrets and conspiracies, and soon Marco realises he may not even know who the real enemy is. Can he uncover a traitor before time runs out? For fans of Joel C. Rosenberg, Tom Clancy and Steven Konkoly, The Vatican Conspiracy is a non-stop explosive thriller of betrayal, revenge and world-shaking conspiracy.

See what readers are saying about The Vatican Conspiracy: “An outstanding start to this series!... Grabs you on the first page and is powered by non-stop action and a taut, emotional narrative... You Gotta Be Kidding! Workman Publishing 2020-07-14 Gross, embarrassing, and just plain silly questions about boogers, bugs, smelly socks, itchy scabs, and more! Adapted from the hugely popular board game, this interactive and completely engaging book serves up hundreds of bizarre, embarrassing, sometimes ethical and sometimes stomach-churning dilemmas that kids will love to pose to their friends and siblings, whether in the backseat, on a sleepover, at a party, on a rainy day, or during a lull in the lunchroom (if you dare). Ponder the icky: Would you rather eat 10 pounds of cheese -OR- a bucket of peanut butter—with nothing to drink? The exponentially icky: Would you rather drink liquid found leaking from a garbage can -OR- chew on a hairy clump found between the cushions of an old couch? The fantastic: Would you rather be able to talk with all animals -OR- be able to understand all languages? The priority-testing: As a soccer player, would you rather mess up and score a goal for the other team but still have your team win -OR- play your best game ever even though your team loses? And the hair-raising: Would you rather swim across a river that is filled with crocodiles -OR- spend the night on an island where man-eating tigers live? Fascinating sidebars throughout are filled with interesting ancillary information—the nature of drool, left-handedness vs. right-handedness, what's dangerously filthy and what's just gross, why we blush when we're embarrassed—so kids can learn something as they laugh!

Blood-Kissed Sky J. A. London 2012-12-26 The second book in a romantic and drama-packed trilogy perfect for fans of Rachel Vincent, Julie Kagawa, and Alyson Noel. Lusciously romantic and full of action-packed drama, readers will be swept away by this thrilling novel. Dawn Montgomery knows that monsters really do come out at night—after all, they are her job. It's just after the thirty-year war between vampires and humans, and as an ambassador between the two sides (a role she inherited when her parents were killed), Dawn quickly learns that balancing schoolwork, teen life, and the requests of Lord Valentine, the most frightening vampire in the region, isn't easy. There's nowhere left to hide. I thought vampires were our enemies—they controlled

our lives, isolated our cities, and demanded our blood—until I met Victor. With Victor taking over as the new Lord Valentine, things were supposed to get better. Instead, they're worse than ever. Day Walkers, a new breed of vampires who can walk in the sun, are terrorizing the city. Blood supplies are low, and if Victor's vampires don't get enough, they will become infected with the Thirst—a disease that will turn them into mindless killers. To stop it, I must journey across the desolate wasteland to the very place where the sickness began. I can only hope that the answers that await me are enough to save us all...before it's too late.

1001 Quotations to Inspire You Before You Die Robert Arp 2018 1001

Quotations To Inspire You Before You Die is full of smart remarks - not just sassy one-liners (although there are plenty of those), but also more considered, philosophical epigrams that make us pause and reflect on a range of profound topics. Each quotation is accompanied by an insightful account of its meaning and the historical context in which it was first uttered or written. Some famous quotations are straightforward, but many need contextualising - it's often not exactly what was said, but who said it, and in what context, that is more important. Many oft-quoted remarks open up whole new worlds of thought and interpretation. What, for example, did Voltaire mean when he wrote 'If God did not exist, it would be necessary to invent him'? - was he hinting at his own atheism (unlikely, given the age in which he lived) or making a more subtle point about the difficulty of apprehending the Almighty? This book looks into these and a host of other such questions, and takes the reader from the source material into illuminating discussions of its wider significance. We all love quotations - we use them to make our points, to plead our cases and to justify our opinions, as well as to honour, glorify, motivate, incite, besmirch, bewitch and beguile. 1001 Quotations To Inspire You Before You Die will help you do all that and more.

High Tide Jude Deveraux 2012-12-11 Fiona is the creator of fashion doll sensation Kimberley, and is quite satisfied with her career-focused life. Yet when her boss informs her that she must win over a new account by going camping with the creator of a hit children's TV show, she is extremely reluctant. Nevertheless, she goes to Florida to meet Roy and his Guide Ace Montgomery. When Roy is found dead with Fiona holding the bloody knife, she becomes the prime suspect - though she has no recollection of what happened. Things get worse when she learns that Roy, until now a stranger to her, left her all the proceeds from his new TV show, giving her a strong motive for murder. Suddenly, she and Ace find themselves on the run, and being condemned by the press for murder. They must prove their innocence by discovering the true motive and murderer of Roy. Fiona and Ace figure out they are linked through her father, and it is then that Fiona learns the secrets of her family's past, turning her world upside down.

Janey the Vet Janey Lowes 2020-03-19 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a makeshift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Yoga Mythology Devdutt Pattanaik 2019-06-21 The popular names of many yogic asanas -- from Virbhadra-asana and Hanuman-asana to Matsyendra-asana, Kurma-asana and Ananta-asana -- are based on characters and personages from Indian mythology. Who were these mythological characters, what were their stories, and how are they connected to yogic postures?

Devdutt Pattanaik's newest book Yoga Mythology (co-written with international yoga practitioner Matt Rulli) retells the fascinating tales from Hindu, Buddhist and Jain lore that lie behind the yogic asanas the world knows so well; in the process he draws attention to an Indic worldview based on the concepts of eternity, rebirth, liberation and empathy that has nurtured yoga for thousands of years.

Looptail Bruce Tip 2014-04-03 Looptail is Bruce Poon Tip's extraordinary first-person account of his entrepreneurial instincts to start and develop G Adventures, the highly successful international travel adventure company -

and along the way he reveals his unusual management secrets that not only keep his employees fully engaged and energized but also keep his customers extremely happy. His unique approach has worked in marvellous ways. Poon Tip has created an entirely new and refreshing approach to management. For example, there is no CEO at G Adventures - instead, every employee is a CEO, empowered to make instantaneous decisions to help clients on the spot. But while there's no CEO, there is a company Mayor, who take the pulse of corporate morale. There's no HR department - but there is a Talent Agency and company Culture Club. It hasn't always been easy to try to balance his desire for a socially responsible company along with the desire to generate profits. But thanks to Poon Tip's vision, G Adventures has flourished and has done its best to maintain its looptail approach. In short, it's been an extraordinary ride, and in many ways G Adventures is at the vanguard of what modern-day companies are beginning to look like.

Althusser and Law Laurent de Sutter 2013-03-05 Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.
