Nathaniel Hawthorne, The Scarlet Letter Nathaniel Hawthorne 2000 Gives an account and a sampling of varied interpretations of Hawthorne's "The Scarlet Letter," encompassing moral and historical criticism, New Criticism, archetypal and myth criticism, psychoanalytical and feminist criticism, and linguistic and semioticcriticism. The Scarlet Letter Nathaniel Hawthorne 2003-02-04 Hailed by Henry James as "the finest piece of imaginative writing yet put forth in the country," Nathaniel Hawthorne's The Scarlet Letter reaches to our nation's historical and moral roots for the material of great tragedy. Set in an early New England colony, the novel shows the terrible impact a single, passionate act has on the lives of three members of the community: the defiant Hester Prynne; the fiery, tortured Reverend Dimmesdale; and the obsessed, vengeful Chillingworth. With The Scarlet Letter, Hawthorne became the first American novelist to forge from our Puritan heritage a universal classic, a masterful exploration of humanity's unending struggle with sin, guilt and pride. [Shifting Continents/colliding Cultures](#) Ralph J. Crane 2000 This book explores the aftermath of British colonialism on the Indian subcontinent and Sri Lanka, including the resulting Diaspora. The essays also examine zones of intersection between theories of postcolonial writing and models of Diaspora and the nation. [The Scarlet Letter and Other Writings](#) Nathaniel Hawthorne

Acts of Naming Michael Ragussis 1987-01-08 Michael Ragussis re-reads the novelistic tradition by arguing the acts of naming--bestowing, revealing, or earning a name; taking away, hiding, or prohibiting a name; slandering, or protecting and serving it--lie at the center of fictional plots from the 18th century to the present. Against the background of philosophic approaches to naming, Acts of Naming reveals the ways in which systems of naming are used to appropriate characters in novels as diverse as Clarissa, Fanny Hill, Oliver Twist, Pierre, Tess of the d'Urbervilles, Remembrance of Things Past, and Lolita, and identifies unnamng and renaming as the locus of power in the family's plot to control the child, and more particularly, to rape the daughter. His analysis also treats additional works by Cooper, Brontë, Hawthorne, Eliot, Twain, Conrad, and Faulkner, extending the concept of the naming plot to reimagine the traditions of the novel, comparing American and British plots, female and male plots, inheritance and seduction plots, and so on. Acts of Naming ends with a theoretical exploration of the "magical" power of naming in different eras and in different, even competing, forms of discourse.

The Office of Scarlet Letter Sacvan Bercovitch 2017-07-05 "The Scarlet Letter has proved our most enduring classic," writes Sacvan Bercovitch, "because it is the liberal example par excellence of art as ideological mimesis. To understand the office of the A is to see how culture empowers symbolic form, including forms of dissent, and how symbols participate in the dynamics of culture, including the dynamics of constraint."With an approach that both reflects and contests developments in literary studies, Bercovitch explores these connections from two perspectives: first, he examines a historical reading of the novel's unities; and then, a rhetorical analysis of key mid-nineteenth-century issues, at home and abroad. In order to highlight the relation between rhetoric and history, he focuses on the point at which the scarlet letter does its office at last, the moment when Hester decides to come home to America.In The Office of "The Scarlet Letter," Bercovitch argues that the process by which the United States usurped "America" for itself, symbolically, is also the process by which liberalism established political and economic dominance. In the course of his study, he offers sustained discussions of Hawthorne's irony and ambiguity, of aesthetic and social strategies of cohesion, and of the conundrums of liberal dissent. Winner of the Modern Language Association's James Russell Lowe prize, The Office of "The Scarlet Letter" provides a theoretical redefinition of the function of symbolism in culture and an exemplary literary-ideological reading of a major text.

The Blithedale Romance Nathaniel Hawthorne 1852 A group of Utopians, unhappy with dissolute, mid-19th-century America, takes to the pastoral life; but the members find little satisfaction in the communal life. Instead of changing the world, they pursue self-centered paths that ultimately lead to tragedy. Absorbing 1852 novel about love, idealism, and politics bristles with Hawthorne's perceptive wit and intelligence.

Surviving the Scarlet Letter Karen Melville Thacker 2012-03 Surviving the Scarlet Letter is a first-hand account of an affair. With honesty, Karen Melville Thacker invites you to peek into the rarely publicized emotions, thoughts, and actions of a woman as she walks through an adulterous encounter. The experience not only changes her life forever, but imprints upon her heart the realization that we are all incredibly fragile and in desperate need of both understanding and God's healing grace. We tend to keep our dark parts hidden, but that approach does not lead to healing. Karen hopes that her vulnerability will help others in similar situations know that they are not alone. This book is not reserved solely for those affected by an affair, but anyone who feels shame as the result of choices made. This is a narrative that details the realities of life bathed in the grace of God.

[The Ambitious Guest](#) Nathaniel Hawthorne 2018-07-03 [The Ambitious Guest](#) (+Biographie et Bibliographie) (Glossy Cover Finish): One September night a family had gathered round their hearth, and piled it high with the driftwood of mountain streams, the dry cones of the pine, and the splintered ruins of great trees that had come crashing down the precipice. Up the chimney roared the fire, and brightened the room with its broad blaze. The faces of the father and mother had a sober gladness; the children laughed; the eldest daughter was the image of Happiness at seventeen; and the aged grandmother who sat knitting in the warmest place, was the image of Happiness grown old.

Nataniel Hawthorne's The Scarlet Letter 1965

Hester Paula Reed 2010-02-16 Upon the death of her demonic husband, Hester Prynne is left a widow, and her daughter Pearl, a wealthy heiress. Hester takes her daughter to live a quiet life in England--only to find herself drawn into the circle of the most powerful Puritan of all time, Oliver Cromwell. From the moment Hester donned the famous scarlet letter, it instilled in her the power to see the sins and hypocrisy of others, an ability not lost on the Lord Protector of the Commonwealth. To Cromwell, Hester's sight is either a sign of sorcery or a divine gift that Hester must use to assist the divinely chosen in his scheming to control England. Since sorcery carries a death sentence, Hester is compelled against her will to use her sight to assist Cromwell. She soon finds herself entangled in a web of political intrigue, espionage, and forbidden love. Hester will carry readers away to seventeenth century England with a deeply human story of family, love, history, desire, weakness, and the human ideal.

Teaching Literature to Adolescents Richard Beach 2013-08-21 This text for pre-service and in-service English education courses presents current methods of teaching literature to middle and high school students. The methods are based on social-constructivist/socio-cultural theories of literacy learning, and incorporate research on literary response conducted by the authors. Teaching Literature to Adolescents – a totally new text that draws on ideas from the best selling textbook, Teaching Literature in the Secondary School, by Beach and Marshall – reflects and builds on recent key developments in theory and practice in the field, including: the importance of providing students with a range of critical lenses for analyzing texts and interrogating the beliefs, attitudes, and ideological perspectives encountered in literature; organization of the literature curriculum around topics, themes, or issues; infusion of multicultural literature and emphasis on how writers portray race, class, and gender differences; use of drama as a tool for enhancing understanding of texts; employment of a range of different ways to write about literature; integration of critical analysis of film and media texts with the study of literature; blending of quality young adult literature into the curriculum; and attention to students who have difficulty succeeding in literature classes due to reading difficulties, disparities between school and home cultures, attitudes toward school/English, or lack of engagement with assigned texts or response activities. The interactive Web site contains recommended readings, resources, and activities; links to Web sites and PowerPoint presentations; and opportunities for readers to contribute teaching units to the Web site databases. Instructors and students in middle and high school English methods courses will appreciate the clear, engaging, useful integration of theory, methods, and pedagogical features offered in this text.

New Essays on 'The Scarlet Letter' Michael J. Colacurcio 1985-10-31 The introduction to this volume outlines the critical history of the novel. Each of the interpretative essays that follow places The Scarlet Letter in a specific historical and cultural context. The first shows that an awareness of the convention of romance is essential to an understanding of the novel. A second investigates the tension between Hawthorne's Puritan setting and his Romantic language, suggesting a complex relationship among author, narrator, characters, and story. A third considers the novel's pervasive metaphor of sexuality. The final essay locates the work in the genre of 'the novel of adultery'.
