Yeah, reviewing a books The Bone Church Victoria Dougherty could mount up your close contacts listings. This is just one of the solutions for you to be successful. As understood, achievement does not suggest that you have fabulous points.

Comprehending as competently as promise even more than supplementary will manage to pay for each success. bordering to, the statement as with ease as sharpness of this The Bone Church Victoria Dougherty can be taken as skillfully as picked to act.

Transitions Theory Afaf I. Meleis, PhD, DrPS (hon), FAAN 2010-02-17 "It is very exciting to see all of these studies compiled in one book. It can be read sequentially or just for certain transitions. It also can be used as a template for compilation of other concepts central to nursing and can serve as a resource for further studies in transitions. It is an excellent addition to the nursing literature." Score: 95, 4 Stars. --Doody's "Understanding and recognizing transitions are at the heart of health care reform and this current edition, with its numerous clinical examples and descriptions of nursing interventions, provides important lessons that can and should be incorporated into health policy. It is a brilliant book and an important contribution to nursing theory." Kathleen Dracup, RN, DNSc Dean and Professor, School of Nursing University of California San Francisco Afaf Meleis, the dean of the University of Pennsylvania School of Nursing, presents for the first time in a single volume her original "transitions theory" that integrates middle-range theory to assist nurses in facilitating positive transitions for patients, families, and communities. Nurses are consistently relied on to coach and support patients going through major life transitions, such as illness, recovery, pregnancy, old age, and many more. A collection of over 50 articles published from 1975 through 2007 and five newly commissioned articles, Transitions Theory covers developmental, situational, health and illness, organizational, and therapeutic transitions. Each section includes an introduction written by Dr. Meleis in which she offers her historical and practical perspective on transitions. Many of the articles consider the transitional experiences of ethnically diverse patients, women, the elderly, and other minority populations. Key Topics Discussed: Situational transitions, including discharge and relocation transitions (hospital to home, stroke recovery) and immigration transitions (psychological adaptation and impact of migration on family health) Educational transitions, including professional transitions (from RN to BSN and student to professional) Health and illness transitions, including self-care post heart failure, living with chronic illness, living with early dementia, and accepting palliative care Organization transitions, including role transitions from acute care to collaborative practice, and hospital to community practice Nursing therapeutics models of transition, including role supplementation models and debriefing models

The Girl Who Played with Fire Stieg Larsson 2009-07-28 Part blistering espionage thriller, part riveting police procedural, and part piercing exposé on social injustice, this second book in the Millennium series is a masterful, endlessly satisfying novel. Mikael Blomkvist, crusading publisher of the magazine Millennium, has decided to run a story that will expose an extensive sex trafficking operation. On the eve of its publication, the two reporters responsible for the article are murdered, and the fingerprints found on the murder weapon belong to his friend, the troubled genius hacker Lisbeth Salander. Blomkvist, convinced of Salander's innocence, plunges into an investigation. Meanwhile, Salander herself is drawn into a murderous game of cat and mouse, which forces her to face her dark past.

Savage Island Victoria Dougherty 2019-09-23 On the remote, South Pacific island of Niue in 1944, Angelie is dying of boredom and eager to get involved in the war effort. Then she meets Will. As a series of vivid dreams about ancient deserts and long forgotten prophecies ensnares them, Will and Angelie not only discover love, but a powerful fate that began for them at the dawn of civilization.

Breath Victoria Dougherty 2020-05-20 Ensnared in a fate that traps them in an endless cycle of death and rebirth, two lovers are propelled through history. From the earliest of cultures to the present day, Nif and Sherin must struggle to save humanity from the same mysterious fate that befell their ancient civilization, or risk losing one another forever.

Research in Organizations Richard A. Swanson 2005-07-01 Richard A. Swanson and Elwood F. Holton, leading scholars in the field, bring together contributions from more than twenty distinguished researchers from multiple disciplines to provide a comprehensive introductory textbook on organizational research. Designed for use by professors and students in graduate-level programs in business, management, organizational leadership, and human resource development, Research in Organizations teaches how to apply a range of methodologies to the study of organizations. This comprehensive guide covers the theoretical foundations of various research methods, shows how to apply those methods in organizational settings, and examines the ethical conduct of research. It provides a holistic perspective, embracing quantitative, qualitative, and mixed-methodology approaches and illuminating them through numerous illustrative examples.

Proofreading, Revising & Editing Skills Success in 20 Minutes a Day Brady Smith 2003 This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

Savage Island Victoria Dougherty 2019-10 The island of Niue, 1944. On this remote island, deep in the South Pacific, about 1,500 miles from its closest neighbor, it hardly feels like a war is on. Angelie, a 17-year-old Australian girl, is waiting out the war on the island, where warm tropical winds blow through her hair almost as gently as native islander Will Tongahai's eyes graze her body. But the arrival of an African archaeologist and his German consort unsettle the inhabitants of this tranquil isle, and Angelie begins to wonder if the war hasn't finally reached their shores. As Angelie and Will are drawn to the suspicious pursuits of the new visitors - an ancient statue, a fantastic myth - a series of vivid dreams about deserts and long forgotten prophecies ensnares them. The lovers discover that their destiny, one forged thousands of years earlier, is not only bigger than their prospective future together, but makes a mere world war look like child's play.

Large Bells of America Neil Goeppinger 2016-08-31 Large Bells of America provides a host of information for enthusiasts and collectors, as well as for those interested in bells, and the part played by these American symbols in United States history and our cultural and Christian heritage. Includes a comprehensive directory of foundries and a large number of color photographs and illustrations.

Inflicted Ria Frances 2014-09-25 When 16 year old Theo Drew meets Anna Levinsky, a Holocaust survivor, he is barely alive. Cossetting him in her home, Anna cares for Theo while he recovers from extreme emotional trauma in the wake of a family tragedy. Believing he may be responsible for the distressing events that occurred on a bleak, winter's afternoon in his family home, Theo finds solace in the story of Anna's life. Listening to her unfathomable existence, living under the Nazi regime in the ghetto of Theresienstadt, Theo realises that her improbable rescue may also be the key to his own salvation.

A Beautiful Blue Death Charles Finch 2008-07-22 When a servant girl is found dead, a supposed suicide, Victorian gentleman and amateur sleuth Charles Lenox is called in by his old friend, Lady Jane, to investigate and begins to suspect that the girl has fallen victim to a rare and deadly poison, in a case complicated by the discovery of a second body in the middle of London's most fashionable ball. A first novel. Reprint. 20,000 first printing.

Deviled Eggs and Deception Kelsey Browning 2020-11-15 The Golden Girls meet Dirty Harry... When a tree topples over onto Lillian's prized 1948 Tucker Torpedo, these over-50 amateur sleuths are once again scrambling for money. Lucky for them, they have their choice of two cases, but which to take-a suspected art forgery or mysterious trash theft from the county landfill? As usual, things aren't as they first seem, and the women soon find themselves investigating by going undercover and dumpster diving to track down both bad guys. Will they solve both cases in time to repair the Tucker before Lil finds out, or will their sleuthing take them down in the wreckage? Recipes included! (Originally published as In High Cotton in the Granny/G Team series) Although all books are stand alones, if you would like to read the entire series chronologically and follow the character development, the following is the correct order. The stories are secondary to the main series. In for a Penny Collard Greens and Catfishing Christmas Cookies And A Confession - A Jenny and Teague romantic adventure story Deviled Eggs And Deception Sweet Tea And Second Chances - A Jenny and Teague romantic adventure story Fried Pickles And A Funeral Wedding Mints And Witnesses

American Princess Stephanie Marie Thornton 2019-03-12 "Presidential darling, America's sweetheart, national rebel: Teddy Roosevelt's swashbuckling daughter Alice springs to life in this raucous anthem to a remarkable woman."--Kate Quinn, New York Times bestselling author of The Alice Network A sweeping novel from renowned author Stephanie Marie Thornton... Alice may be the president's daughter, but she's nobody's darling. As bold as her signature color Alice Blue, the gum-chewing, cigarette-smoking, poker-playing First Daughter discovers that the only way for a woman to stand out in Washington is to make waves--oceans of them. With the canny sophistication of the savviest politician on the Hill, Alice uses her celebrity to her advantage, testing the limits of her power and the seductive thrill of political entanglements. But Washington, DC is rife with heartaches and betrayals, and when Alice falls hard for a smooth-talking congressman it will take everything this rebel has to emerge triumphant and claim her place as an American icon. As Alice soldiers through the devastation of two world wars and brazens out a cutting feud with her famous Roosevelt cousins, it's no wonder everyone in the capital refers to her as the Other Washington Monument--and Alice intends to outlast them all. Marilyn's Red Diary E. Z. Friedel 2013-04 Marilyn's Red Diary is shocking, funny, scandalous and sad but always brutally honest. Marilyn Monroe is caught between intellectual giants - her award-winning playwright husband Arthur Miller and her dashing politician boyfriend Jack. Then along comes Jack's fiery brother Bobby. The world's dream girl relates her intimate adventures with many of the era's who's who. Marilyn's Red Diary is a touching portrait of a hard-working, extremely bright

woman, trapped in her own sensuality and, tragically, born far ahead of her time.

The Bone Church Victoria Dougherty 2014-04 In the surreal and paranoid underworld of wartime Prague, fugitive lovers Felix Anel and Magdalena Ruza make some dubious alliances - with a mysterious Roman Catholic cardinal, a reckless sculptor intent on making a big political statement, and a gypsy with a risky sex life. As one by one their chances for fleeing the country collapse, the two join a plot to assassinate Hitler's nefarious Minister of Public Enlightenment and Propaganda, Josef Goebbels. But the assassination attempt goes wildly wrong, propelling the lovers in separate directions. Felix's destiny is sealed at the Bone Church, a mystical pilgrimage site on the outskirts of Prague, while Magdalena is thrust even deeper into the bowels of a city that betrayed her and a homeland soon to be swallowed by the Soviets. As they emerge from the shadowy fog of World War II, and stagger into the foul haze of the Cold War, Felix and Magdalena must confront the past, and a dangerous, uncertain future.

The Hungarian Victoria Dougherty 2017-07-21 While vacationing in Greece in 1956, Lily Tassos, the hard-partying daughter of a powerful arms dealer, has a sudden change in plans. After her sometime boyfriend — a CIA agent — is murdered before her eyes, she finds herself holding a ticket to Moscow and a mysterious metal card. A far cry from her usual pairing of a Faulkner novel and bottle (or two) of white Bordeaux. Alone and haunted by her lover's death, a political Lily resolves to complete his mission and find out who killed him. Masquerading as a gung-ho member of the American Communist Party, she travels to Moscow, where she is contacted by Pasha Tarkhan. Brutal, yet charismatic, Tarkhan is both a high-ranking Soviet official and CIA asset, not to mention a covert supporter of the Russian Spiritual Underground. This alliance of self-styled — deists — have rejected the secular Soviet state and vowed to bring it down by means of faith, prayer...and blood. Grinding her old life beneath the heel of her Dior stiletto, Lily puts her new one on the line, surrendering to fate, love and, for once, events bigger than herself.

Pioneer Women Joanna Stratton 2013-05-28 From a rediscovered collection of autobiographical accounts written by hundreds of Kansas pioneer women in the early twentieth century, Joanna Stratton has created a collection hailed by Newsweek as "uncommonly interesting" and "a remarkable distillation of primary sources." Never before has there been such a detailed record of women's courage, such a living portrait of the women who civilized the American frontier. Here are their stories: wilderness mothers, schoolmarm, Indian squaws, immigrants, homesteaders, and circuit riders. Their personal recollections of prairie fires, locust plagues, cowboy shootouts, Indian raids, and blizzards on the plains vividly reveal the drama, danger and excitement of the pioneer experience. These were women of relentless determination, whose tenacity helped them to conquer loneliness and privation. Their work was the work of survival, it demanded as much from them as from their men—and at last that partnership has been recognized. "These voices are haunting" (The New York Times Book Review), and they reveal the special heroism and industriousness of pioneer women as never before.

The Housemates Iain Rob Wright 2013-12-08

Passport to Heaven Micah Wilder 2021-06-01 "You have a call, Elder Wilder." When missionary Micah Wilder set his sights on bringing a Baptist congregation into the Church of Jesus Christ of Latter-day Saints, he had no idea that he was the one about to be changed. Yet when he finally came to know the God of the Bible, Micah had no choice but to surrender himself—no matter the consequences. For a passionate young Mormon who had grown up in the Church, finding authentic faith meant giving up all he knew: his community, his ambitions, and his place in the world. Yet as Micah struggled to reconcile the teachings of his Church with the truths revealed in the Bible, he awakened to his need for God's grace. This led him to be summoned to the door of the mission president, terrified but confident in the testimony he knew could cost him everything. *Passport to Heaven* is a gripping account of Micah's surprising journey from living as a devoted member of a religion based on human works to embracing the divine mercy and freedom that can only be found in Jesus Christ.

Wigs on the Green Nancy Mitford 2010-08-10 Nancy Mitford's most controversial novel, unavailable for decades, is a hilarious satirical send-up of the political enthusiasms of her notorious sisters, Unity and Diana. Written in 1934, early in Hitler's rise, *Wigs on the Green* lightheartedly skewers the devoted followers of British fascism. The sheltered and unworldly Eugenia Malmain is one of the richest girls in England and an ardent supporter of General Jack and his Union Jackshirts. World-weary Noel Foster and his scheming friend Jasper Aspect are in search of wealthy heiresses to marry; Lady Marjorie, disguised as a commoner, is on the run from the Duke she has just jilted at the altar; and her friend Poppy is considering whether to divorce her rich husband. When these characters converge with the colorful locals at a grandly misconceived costume pageant that turns into a brawl between Pacifists and Jackshirts, madcap farce ensues. Long suppressed by the author out of sensitivity to family feelings, *Wigs on the Green* can now be enjoyed by fans of Mitford's superbly comic novels.

Cold Victoria Dougherty 2016-07-06 *Cold* Victoria Dougherty comes from the ultimate Cold War family - daring escapes, backyard firing squads, communist snitches, bowls of goulash, gargoyles, gray skies and bone-chilling winters. In *Cold*, Dougherty writes essays with humor and raw soul. About the heart-rending stories she grew up hearing at her dinner table and the two-hanky drama that played on in her home. She ponders how her family's bad luck - so bad her parents dubbed it a curse - against all reason became a force for good in her life. More on *Cold*...WordPress, the blogging platform that hosts some 70 million blogs worldwide, has singled out Ms. Dougherty's blog, also called *Cold*, as one of their top Recommended Blogs by writers or about writing.

The Second Mrs. Astor Shana Abe 2021-08-31 "Abé is an exquisite storyteller. Rich in detail and deeply moving." —Fiona Davis, New York Times bestselling author of *The Magnolia Palace* "One of the most beautifully written books I've ever had the pleasure to read. A gorgeous, phenomenal novel I won't soon forget." —Ellen Marie Wiseman New York Times bestselling Author of *The Orphan Collector* Perfect for fans of Jennifer Chiaverini and Marie Benedict, this riveting novel takes you inside the scandalous courtship and catastrophic honeymoon aboard the Titanic of the most famous couple of their time—John Jacob Astor and Madeleine Force. Told in rich detail, this novel of sweeping historical fiction will stay with readers long after turning the last page. Madeleine Talmage Force is just seventeen when she attracts the attention of John Jacob "Jack" Astor. Madeleine is beautiful, intelligent, and solidly upper-class, but the Astors are in a league apart. Jack's mother was the Mrs. Astor, American royalty and New York's most formidable socialite. Jack is dashing and industrious—a hero of the Spanish-American war, an inventor, and a canny businessman. Despite their twenty-nine-year age difference, and the scandal of Jack's recent divorce, Madeleine falls headlong into love—and becomes the press's favorite target. On their extended honeymoon in Egypt, the newlyweds finally find a measure of peace from photographers and journalists. Madeleine feels truly alive for the first time—and is happily pregnant. The couple plans to return home in the spring of 1912, aboard an opulent new ocean liner. When the ship hits an iceberg close to midnight on April 14th, there is no immediate panic. The swift, state-of-the-art RMS Titanic seems unsinkable. As Jack helps Madeleine into a lifeboat, he assures her that he'll see her soon in New York... Four months later, at the Astors' Fifth Avenue mansion, a widowed Madeleine gives birth to their son. In the wake of the disaster, the press has elevated her to the status of virtuous, tragic heroine. But Madeleine's most important decision still lies ahead: whether to accept the role assigned to her, or carve out her own remarkable path... "A touching, compelling, and haunting love story that will delight fans of historical fiction and enthrall those of us for whom the Titanic will always fascinate." —Hazel Gaynor, New York Times bestselling author of *When We Were Young and Brave* "An engaging novel told with both heartbreaking care and vivid detail. *The Second Mrs. Astor* is historical fiction at its gripping and irresistible best." —Patti Callahan, New York Times bestselling author of *Surviving Savannah* and *Becoming Mrs. Lewis*

The History of the Colored Methodist Episcopal Church in America Charles Henry Phillips 1898

Psychology of the Spirit John G. Shobris 2015-09-09 While not all aspects of Carl Gustav Jung's work have aged well, many of his ideas remain consistent with current concepts in behavioral psychology and neuroscience. *Psychology of the Spirit* reviews the lasting effects of Jung's work and how it integrates with modern neuroscience, cognitive and behavioral studies, and Christian theology. It combines the mystical insights developed by Eastern Orthodox Christian theology with Jung's vision of the psyche and the concept of the collective unconscious and its archetypes. Though written as a contribution to the field of psychology and as a tool for clinical practice, it is also accessible to lay readers interested in the relationship between the mind and the brain....

The Spanish Daughter Lorena Hughes 2021-12-28 Set against the lush backdrop of early twentieth century Ecuador and inspired by the real-life history of the coastal town known as the birthplace of cacao, this captivating #OwnVoices novel from the award-winning author of *The Sisters of Alameda Street* tells the story of a resourceful young chocolatier who must impersonate a man in order to claim her birthright... "An atmospheric and captivating mystery set against the backdrop of 1920s Ecuador, *The Spanish Daughter* is an engrossing, suspenseful family saga filled with unpredictable twists and turns." --Chanel Cleeton, New York Times bestselling author of *Next Year in Havana* As a child in Spain, Puri always knew her passion for chocolate was inherited from her father. But it's not until his death that she learns of something else she's inherited--a cocoa estate in Vinces, Ecuador, a town nicknamed "París Chiquito." Eager to claim her birthright and filled with hope for a new life after the devastation of World War I, she and her husband Cristóbal set out across the Atlantic Ocean. But it soon becomes clear someone is angered by Puri's claim to the estate . . . When a mercenary sent to murder her aboard the ship accidentally kills Cristóbal instead, Puri dons her husband's clothes and assumes his identity, hoping to stay safe while she searches for the truth of her father's legacy in Ecuador. Though freed from the rules that women are expected to follow, Puri confronts other challenges at the estate--newfound siblings, hidden affairs, and her father's dark secrets. Then there are the dangers awakened by her attraction to an enigmatic man as she tries to learn the identity of an enemy who is still at large, threatening the future she is determined to claim. Praise for *The Spanish Daughter*: A Publishers Marketplace Buzz Books: Fall/Winter 2021 selection "A lushly written story of bittersweet family secrets and betrayals that ultimately celebrates the healing power of hope, resilience, love--and chocolate!" --Andrea Penrose, author of *Murder at the Royal Botanic Gardens* "A lyrical and nuanced study of family and belonging. Readers will fall in love with *The Spanish Daughter*'s unique setting amidst the cacao plantations of Ecuador in 1920, its lush and vivid prose, and compelling and audacious heroine." --Anna Lee Huber, USA Today bestselling author of *Murder Most Fair* "A deftly written story entangling family, identity, chocolate and murder, set in the lush golden days of Ecuador's cacao boom in the early twentieth century. Hughes gradually weaves the separate tales of her narrators into a single strong thread, drawing you into the world of three very different sisters united by deception and loss." --Shana Abé, New York Times bestselling author of *The Second Mrs. Astor*

The Fortune Hunter Daisy Goodwin 2014-07-29 Empress Elizabeth of Austria, known as Sisi, is the Princess Diana of nineteenth-century Europe. Famously beautiful, as captured in a portrait with diamond stars in her hair, she is unfulfilled in her marriage to the older Emperor Franz Joseph. Sisi has spent years evading the stifling

formality of royal life on her private train or yacht or, whenever she can, on the back of a horse. Captain Bay Middleton is dashing, young, and the finest horseman in England. He is also impoverished, with no hope of buying the horse needed to win the Grand National—until he meets Charlotte Baird. A clever, plainspoken heiress whose money gives her a choice among suitors, Charlotte falls in love with Bay, the first man to really notice her, for his vulnerability as well as his glamour. When Sisi joins the legendary hunt organized by Earl Spencer in England, Bay is asked to guide her on the treacherous course. Their shared passion for riding leads to an infatuation that jeopardizes the growing bond between Bay and Charlotte, and threatens all of their futures. *The Fortune Hunter*, a brilliant new novel by Daisy Goodwin, is a lush, irresistible story of the public lives and private longings of grand historical figures.

The Hungarian Victoria Victoria Dougherty 2017-07-17

Defined by Others M. C. V. Egan 2015-07-15 A word, a single word defines a moment for Anne. She needs to find a new one when her spouse leaves her at the age of 47, coming out of the closet literally in a closet. She finds herself back in her hometown amongst her high school friends which she left behind in her past. An inheritance from a friend leaves her with the means to meddle and spy on the lives of some of their mutual acquaintances. In an attempt to run from her reality Anne gets engrossed in a game of "fun" and "flirtation" with her friend and fellow sufferer Connie at her side. Anne however did not read all the files and what to her is fun games turns into a deadly reality. It is no longer a game. Life, death and not even a defining word can stop the reality of manipulation.

The Girl Who Kicked the Hornet's Nest Stieg Larsson 2010-05-25 In the third volume of the Millennium series, Lisbeth Salander lies in critical condition in a Swedish hospital, a bullet in her head. But she's fighting for her life in more ways than one: if and when she recovers, she'll stand trial for three murders. With the help of Mikael Blomkvist, she'll need to identify those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she'll seek revenge--against the man who tried to kill her and against the corrupt government institutions that nearly destroyed her life.

The Case for Marriage Linda Waite 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* www.broadwaybooks.com

For Her Own Good Barbara Ehrenreich 2013-10-02 This women's history classic brilliantly exposed the constraints imposed on women in the name of science and exposes the myths used to control them. Since the nineteenth century, professionals have been invoking scientific expertise to prescribe what women should do for their own good. Among the experts' diagnoses and remedies: menstruation was an illness requiring seclusion; pregnancy, a disabling condition; and higher education, a threat to long-term health of the uterus. From clitoridectomies to tame women's behavior in the nineteenth century to the censure of a generation of mothers as castrators in the 1950s, doctors have not hesitated to intervene in women's sexual, emotional, and maternal lives. Even domesticity, the most popular prescription for a safe environment for woman, spawned legions of "scientific" experts. Barbara Ehrenreich and Dierdre English has never lost faith in science itself, but insists that we hold those who interpret it to higher standards. Women are entering the medical and scientific professions in greater numbers but as recent research shows, experts continue to use pseudoscience to tell women how to live. *For Her Own Good* provides today's readers with an indispensable dose of informed skepticism.

The Ends of the Earth Robert Goddard 2015-07-02 LIES. SECRETS. REVELATIONS. 1919 – The truth has never been in such short supply Ex-flying ace James 'Max' Macted's attempt to uncover the secret behind the death of his father, Sir Henry Macted, has seemingly ended in failure – and his own death. Unaware of Max's fate, the team continue to pursue their only lead, travelling to Japan in search of a mysterious prisoner held by Sir Henry's old enemy, Count Tomura. Once there, they encounter former German spymaster, Fritz Lemmer, now rebuilding his spy network in the service of a new, more sinister cause. The quest Max embarked on in Paris will reach its dizzying end at Tomura's castle in the mountains of Honshu - and the full truth of what occurred thirty years before will finally be laid bare...

Welcom to the Hotel Yalta Victoria Dougherty 2016-07-07 An heiress who can't seem to keep her legs closed. A Russian plan for dominating the space race. An assassin with a penchant for rich food and sadistic murder. When you're alone in the cold, passion and betrayal are commodities and love hangs on by an icy thread. From the author of *The Bone Church* and *Cold*, comes a white knuckle tour de force of Cold War noir.

Elvis Is King! Jonah Winter 2019-01-08 Elvis Presley--the King of Rock 'n' Roll, still beloved by millions of Americans--comes to vibrant, gyrating life in this extraordinary picture-book biography from an award-winning author and the winner of a New York Times Best Illustrated Book Award. Here's the perfect book for anyone who wants to introduce rock 'n' roll and its king to the child in their lives. In single-page "chapters" with titles like "The First Cheeseburger Ever Eaten by Elvis" and "Shazam! A Blond Boy Turns into a Black-Haired Teenager," readers can follow key moments in Presley's life, from his birth on the wrong side of the railroad tracks in the Deep South, to playing his first guitar in grade school, to being so nervous during a performance as a teenager that he starts shaking . . . and changes the world! Jonah Winter and Red Nose Studio have created a tour-de-force that captures a boy's loneliness and longing, along with the energy and excitement, passion, and raw talent that was Elvis Presley. "Readers will want to pore over this thoroughly engaging volume." -- Kirkus Reviews, starred review

The Great Influenza John M. Barry 2005-10-04 #1 New York Times bestseller "Barry will teach you almost everything you need to know about one of the deadliest outbreaks in human history."—Bill Gates "Monumental... an authoritative and disturbing morality tale."—Chicago Tribune The strongest weapon against pandemic is the truth. Read why in the definitive account of the 1918 Flu Epidemic. Magisterial in its breadth of perspective and depth of research, *The Great Influenza* provides us with a precise and sobering model as we confront the epidemics looming on our own horizon. As Barry concludes, "The final lesson of 1918, a simple one yet one most difficult to execute, is that...those in authority must retain the public's trust. The way to do that is to distort nothing, to put the best face on nothing, to try to manipulate no one. Lincoln said that first, and best. A leader must make whatever horror exists concrete. Only then will people be able to break it apart." At the height of World War I, history's most lethal influenza virus erupted in an army camp in Kansas, moved east with American troops, then exploded, killing as many as 100 million people worldwide. It killed more people in twenty-four months than AIDS killed in twenty-four years, more in a year than the Black Death killed in a century. But this was not the Middle Ages, and 1918 marked the first collision of science and epidemic disease.

Southern Literature from 1579-1895 Louise Manly 1895

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Carpenter's Gothic William Gaddis 1999-03-01 This story of raging comedy and despair centers on the tempestuous marriage of an heiress and a Vietnam veteran. From their "carpenter gothic" rented house, Paul sets himself up as a media consultant for Reverend Ude, an evangelist mounting a grand crusade that conveniently suits a mining combine bidding to take over an ore strike on the site of Ude's African mission. At the still center of the breakneck action--revealed in Gaddis's inimitable virtuoso dialogue—is Paul's wife, Liz, and over it all looms the shadowy figure of McCandless, a geologist from whom Paul and Liz rent their house. As Paul mishandles the situation, his wife takes the geologist to her bed and a fire and aborted assassination occur; Ude issues a call to arms as harrowing as any Jeremiad--and Armageddon comes rapidly closer. Displaying Gaddis's inimitable virtuoso dialogue, and his startling treatments of violence and sexuality, *Carpenter's Gothic* "shows again that Gaddis is among the first rank of contemporary American writers" (Malcolm Bradbury, *The Washington Post Book World*).
