Throb Vi Keeland 2015-01-25 From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note – Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.

words whispered in my ear again and again until I craved what I used to fear. Such a simple demand from my captor-the man who stole me and refused to tell me why he wouldn't let me go. I was his. He made me need him, just as much as he needed me. I broke all the rules of the golden prison he put me in. During the day he ruled his dark, seedy world. His subjects and me. During the night-he bowed before my feet. Have you ever wondered what happened to the villains in all the fairy tales you read? You'll soon find out. It all started when he kidnapped me and made me his pet. And it all ended with me... Calling him master. *This story is not for the faint of heart and may be uncomfortable for some readers. The Dare Rachel Van Dyken 2014-07-15 Boring Beth Lynn has always lived up to her nickname... until she wakes up in a hotel bed next to a sexy as sin state senator she re-connected with at a wedding the previous night.The biggest problem? She can't seem to remember anything about the night before except for crying into a box of cookies, and she's pretty sure Grandma Nadine slipped something in her drink. And what should have been a one night stand turns into a six day adventure when Grandma whisks them off to Hawaii to save them from the ensuing media firestorm.Jace isn't looking for commitment - he believes he made that clear when he left the wedding with Beth. Then again, he can't remember much of anything other than the way her skin felt beneath his hands. Now he's stuck with her at some lame couple's retreat and trying his hardest to

fight the attraction only a woman like Beth could invoke. He doesn't think it can get any worse. But one spider attack... A donkey ride from hell... And an unfortunate episode with Viagra tea - and there's one thing Jace knows for sure: He should never have agreed to Grandma Nadine's suggestion in the first place. Because if this isn't paradise, and it isn't a vacation - that only leaves one option. Survival. But to make it through alive... they might lose their hearts in the process.

The Setup Rachel Van Dyken 2019-12-26 The first day she was sitting by herself - I felt sorry for her. After all, it couldn't be easy wrangling all the testosterone at Wingmen Inc as one of the only female office managers. The second day she literally counted her carrots during break - she had seven by the way, right along with seven sips of her drink in between taking seven tiny little bites of the first carrot. Now I'm not one to brag, or maybe I am, but math and science fascinate me, so do problems. And this woman screamed puzzle from the way she ducked her head every time anyone looked at her, to the way she counted food and tapped the table when she didn't think anyone was watching. I'd like to think I took pity on her that day when, in fact, she was the one that took pity on me and asked if I needed a friend. She assumed I had a learning disability since I'd been staring so damn hard. Things would have ended there, except, my bosses need someone to test the new Wingmen App and since I was the only single guy on the floor - I was nominated, right along with the only single woman, the same one who thinks I need to use my fingers to count. Apparently rumors of my sexcapades

throughout college reached even her ears, because she wants nothing to do with me, which makes beta testing a bitch. I have thirty days to win her over and prove myself to my bosses. One thing's for certain, I'm going to have to buy a hell of a lot of carrots.

Now he's stranded in paradise with twenty-four women, one terrifying goat, and Becca, the breathtaking barista who already turned him down back home. The closer Max gets to Becca, the more determined he becomes to win her over. As she gets to know him better, things start heating up. But is Becca really after Max's heart--or is she after the cash prize she could claim once the cameras stop rolling?

It's been years since Kacey's seen her childhood friend Jake, but the minute Jake mentions his ill grandmother, Kacey is ready to do anything for the sweet old woman. And if that means pretending they're engaged for her sake--so be it. But Kacey wasn't counting on Jake's older brother Travis still being there. She calls him "Satan" for a reason: she's never forgotten the way he teased and taunted her. Yet when they meet again, Travis's gorgeous smile is a direct hit to her heart . . . and Kacey's more confused than ever. Fraternize Rachel Van Dyken 2017-09-12 New York Times bestselling author Rachel Van Dyken kicks off a brand-new series in which romance is a game and love is a touchdown. Emerson just made her dream come true as a professional cheerleader for

her favorite pro football team. But even though the plus-size athlete is breaking down boundaries, she still has to contend with the massive rulebook. Carbs? Nope. Chocolate? Definitely not. Still, Emerson loves her curves, and she'll rock the hell out of this job even if it kills her. Except for one mandate that is easier read than done... No fraternizing with the players. Problem one is Miller Quinton: Emerson's first love, first sex, and the guy who still ignites her daydreams and R-rated fantasies. Thrown back together, Miller and Emerson feel the undeniable pull of passion again, even if the conflict that tore them apart seems insurmountable. Then there's way-too-sexy Grant Sanchez. He has a serious reputation with the ladies, and when it comes to winning someone he wants, he doesn't let anyone stand in his way. Now Emerson is breaking every rule in the manual. All Stars Fall: A Seaside Pictures/Big Sky Novella Rachel Van Dyken 2019-03-12 From New York Times and USA Today bestselling author Rachel Van Dyken... She left. Two words I can't really get out of my head. She left us. Three more words that make it that much worse. Three being another word I can't seem to wrap my mind around. Three kids under the age of six, and she left because she missed it. Because her dream had never been to have a family, no her dream had been to marry a rockstar and live the high life. Moving my recording studio to Seaside Oregon seems like the best idea in the world right now especially since Seaside Oregon has turned into the place for

celebrities to stay and raise families in between touring and producing. It would be lucrative to make the move, but I'm doing it for my kids because they need normal, they deserve normal. And me? Well, I just need a break and help, that too. I need a sitter and fast. Someone who won't flip me off when I ask them to sign an Iron Clad NDA, someone who won't sell our pictures to the press, and most of all? Someone who looks absolutely nothing like my ex-wife. He's tall. That was my first instinct when I saw the notorious Trevor Wood, drummer for the rock band Adrenaline, in the local coffee shop. He ordered a tall black coffee which made me smirk, and five minutes later I somehow agreed to interview for a nanny position. I couldn't help it; the smaller one had gum stuck in her hair while the eldest was standing on his feet and asking where babies came from. He looked so pathetic, so damn sexy and pathetic that rather than be star-struck, I took pity. I knew though; I knew the minute I signed that NDA, the minute our fingers brushed and my body became insanely aware of how close he was—I was in dangerous territory, I just didn't know how dangerous until it was too late. Until I fell for the star and realized that no matter how high they are in the sky—they're still human and fall just as hard. Robinson NYT Bestselling Author Rachel Van Dyken comes a full length, standalone romantic suspense novel Romeo, Romeo, wherefore art thou, Romeo? Can you get anymore cliché? I'd heard that damn phrase my entire life. Most of the time, it was when a woman was mid-orgasm-or, when I was about to take

someone's life. You see, we all have our demons. Apparently, my name was mine. Though it didn't help me get my answers any faster. I nodded when I was supposed to. I smirked when I needed to. I complimented when the timing was right. Then... I'd send them to hell after giving them nothing but heaven. I should've felt guilt. I didn't. Because I was good at what I did. Making people believe what I wanted them to was an art I perfected. In a world where nothing mattered but staying at the top, I made sure no one slipped through my fingers. Except for her.
