Reckless Jennifer Loren 2012-08-27 Reckless, the sequel to Finding Ava: The decision seemed so innocent in the beginning, exciting even. How could I have ever known what was going to happen? How could I have ever know that someone could be so evil, so determined to destroy lives. I chose to ignore the advice of my brother and instead trusted - believed in friendship, believed in a woman I once loved. Now I am paying the consequences and living in hell and I have brought my family right along with me. It all started when the rat entered our lives, and as should be expected - the snake followed. This story dives deep into the making of the movie "Reckless," and simultaneously takes you on a ride filled with sex, drama, disastrous sabotage, and battles of woman against woman and man against man. You will have to take a breath before you read this story because you won't be able to take another until after it ends.

Crow'S Row Julie Hockley 2014-03-25 For college student Emily Sheppard, the thought of spending a summer alone in New York is much more preferable than spending it in France with her parents. Just completing her freshman year at Callister University, Emily faces a quiet summer in the city slums, supporting herself by working at the campus library. During one of her jogs through the nearby cemetery while visiting her brother Bills grave, Emily witnesses a brutal killing and then she blacks out. When Emily regains consciousness, she realizes shes been kidnapped by a young crime boss and his gang. She is hurled into a secret underworld, wondering why she is still alive and for how long. Held captive in rural Vermont, she tries to make sense of her situation and what it means. While uncovering secrets about her brother and his untimely death, Emily falls in love with her very rich and very dangerous captor, twenty-six-year-old Cameron. She understands its a forbidden love and one that wont allow her to return to her previous life. But love may not be enough to save Emily when no one even knows she is missing.

Decrees that Make the Devil Flee Jennifer LeClaire 2020-06-07 In Decrees That Make the Devil Flee, leading prophetic voice Jennifer LeClaire shares a profound prophetic word about the power of a decree that changed the course of her life, and the lives of many others. 101 Tactics for Spiritual Warfare Jennifer LeClaire 2018-06-05 What To Do When All Hell Breaks Loose Let's face it, when the enemy attacks, it can be hard to remember which way is up. Demonic forces can come in like a flood and disorient your mind. They can drown you in hopelessness. Or you may be tempted to turn a blind eye to the spirits that intend to kill, steal, and destroy you. But let it be known, the devil still wreaks havoc on the earth today, and followers of Christ must use Spirit-inspired strategies to drive him out. You need a battle plan. You need specific tactics for specific skirmishes because whether or not you know it, you are in a war. Offering both scriptures and prayers, 101 Tactics for Spiritual Warfare will empower you to take on an offensive rather than a defensive stance against the enemy. This book addresses how to: Deal with demons from your past Break the stronghold of worry Submit your emotions to the Holy Spirit Take authority over the enemy Jennifer LeClaire offers a practical battlefield manual that will remind you of the things one often forgets in the face of an enemy onslaught. Find rest in the midst of spiritual storms, break the power of Satan's devices, and live a life of victory.

The Devil's Son Jennifer Loren 2012-12 Chief of Police, Brady Simone is determined to go after the man that killed his parents but his new brother-in-law, Nicholas Jayzon, is doing everything he can to point him away from the man known as "The Barron." The Barron, or rather, Dennis Savage, has inflicted his own kind of evil on people for longer than anyone can remember. Savage has no fear because no one can touch him, no one can get near him ... except Nick. With darkened tenacity, Savage has watched Nick since he was a child and has never given up on his pursuit of him. He will do anything to have Nick join him and become a part of his organization. Savage will even allow Brady Simone to pursue him for a time, without killing him. For the sake of his sister's happiness protecting Brady is important but keeping Savage away from his sister is Nick's primary goal. If Savage learns of Lena, she will instantly be marked for death. Nick has no choice but to meet Savage in his own territory and ask for a favor, something he has avoided at all costs until now. Their meeting is ominous. It brings back memories and rekindles Savage's desire to have Nick take the place where his father once stood. Will Nick be allowed to decline Savage's offer again? Or will Nick find killers on his heels, ready to take his place in Savage's favor? Or will Savage simply kill everyone that gets in his way and replace his desire for Nick with the only one that can replace him - Nicky? "Savage's voice cuts through my pain and releases me, allowing me to finally see again. To see Nicky hiding under the table, crying for his mother while Eey stands guard in front of my son with a ferociousness that even I wouldn't dare go near. But it is Kayla that begins to weaken by his hands, slowly closing her eyes and beginning to near death while I can do nothing but watch. I have no choice now ..." Nicholas Jayzon

The Devil's Submission Nicola Davidson 2017-02-06 Disinherited by his parents and estranged from his wife, Fallen pleasure club co-owner Lord Grayson 'Devil' Deveraux long ago learned to place his trust in ledgers rather than people. But his ice-cold reserve hides the scandalous truth: he's a man who craves pain with his pleasure, and a loving lady to instruct him. Banished to the country when her whirlwind marriage collapsed, Lady Eliza Deveraux never knew why Grayson fell out of love with her: she'd tried so damned hard to quell her fiery self and be a proper, obedient wife. But when Eliza is forced to return to London and back into Grayson's intoxicating world, banked passions reignite. Can a marriage built on secrets and pretense truly get a second chance? Each book in the Fallen series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Surrender to Sin Book #2 The Devil's Submission Book #3 The Seduction of Viscount Vice

Stick to your convictions. Against all odds, Claire and Tony have found their way back to one another, but it doesn't mean a happy ever after. Not even close. Just when they seemed to have it all—love, respect, and the promise of a family—the game master exposes the truth and Claire's world once again unravels. With old convictions wavering and past transgressions coming to light, the cards have changed and luck is not in the deck for Claire and Tony. Abandon all assumptions. Lost in a constant nightmare, who will save Claire from her past? From herself? Everyone has a hand to play, and now they're playing for keeps. Everything known to be true is questioned. Motives are explained. The past is once again unearthed, and this time, secrets lurk between dreams and reality, between the past and the present. The clock is ticking. Time is running out on Claire...on Tony...on their happy ever after. When the final cards are played, will their unconventional love trump the opposition? In the end, some will discover their bets were too high, and all will learn the most crucial lesson—there are always consequences for the truth. You must stick to your conviction, but be ready to abandon your assumptions. —Denis Waitley

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The Poets of Tin Pan Alley Philip Furia 1992-06-25 From the turn of the century to the 1960s, the songwriters of Tin Pan Alley dominated American music. Irving Berlin, Cole Porter, George and Ira Gershwin, Rodgers and Hart--even today these giants remain household names, their musicals regularly revived, their methods and styles analyzed and imitated, and their songs the bedrock of jazz and cabaret. In The Poets of Tin Pan Alley Philip Furia offers a unique new perspective on these great songwriters, showing how their poetic lyrics were as important as their brilliant music in shaping a golden age of American popular song. Furia writes with great perception and understanding as he explores the deft rhymes, inventive imagery, and witty solutions these songwriters used to breathe new life into rigidly established genres. He devotes full chapters to all the greats, including Irving Berlin, Lorenz Hart, Ira Gershwin, Cole Porter, Oscar Hammerstein II, Howard Dietz, E.Y. Harburg, Dorothy Fields, Leo Robin, and Johnny Mercer. Furia also offers a comprehensive survey of other lyricists who wrote for the sheet-music industry, Broadway, Hollywood, and Harlem nightclub revues. This was the era that produced The New Yorker, Don Marquis, Dorothy Parker, and E.B. White--and Furia places the lyrics firmly in this fascinating historical context. In these pages, the lyrics emerge as an important element of American modernism, as the lyricists, like the great modernist poets, took the American vernacular and made it sing.

Decoding Your Dreams Jennifer LeClaire 2018-12-04 What is God saying to you in your dreams? Decoding Your Dreams is a beginner's guide to understanding the true source of our dreams, dream classifications, and even dream symbols. This book answers questions like: Can we control our dreams? I used to dream all the time. Why has my dream life suddenly ceased? Should I pray for the gift of dream interpretation? What does it mean if I see people in my dreams who have already passed away? When do I share a dream I've received and when do I keep it to myself? Where does déjà vu fit into the world of dreams? Why should I pay attention to my children's dreams? There are dozens of mentions of dreams in the Bible. From Abraham to Joseph, from Daniel all the way to Pontius Pilate's wife, God has communicated with His people through dreams throughout recorded history. Why would God choose to speak to us while we sleep? Perhaps it's because we are too distracted during the day to sit still long enough for Him to share the deep secrets of His heart. Jennifer LeClaire is convinced God speaks to us in ways that are very personal. At times he may use pictures, memories, impressions, or even a still small voice. Let Decoding Your Dreams help you embrace your Spirit-inspired dreams!

The Devil's Revenge Jennifer Loren 2012-06 The argument for my bail begins, and I lower my head until the doors behind me crash open with a thunderous roar. A vibration rushes through my body, I look up at the judge as his eyes widen and a cold silence takes hold of the room. It's him. I know it's him. It can be no other. Before I can turn I whisper his name and feel the energy of him blaze up my body as if the simple whisper of his name makes it true, makes him true. As hard as I fight my own curiosity I can't stop myself, with all the assuredness in my head I still have to prove it to my own eyes. Turning, I slowly raise my head up and look upon the three gentlemen, dressed in dark suits and letting the hoods of their coats fall back and reveal expressions of pure - desired annihilation. But it is he that stands center and strong that confirms my suspicions. It is he that has caused this silence and choked the breath out of an entire room. It's as if the air could breathe and it breathes a trembling gasp of his name, with all that laid their eyes on this sight I see. Only I breathe his name and meet his eyes whispering ... "I knew you would come for me." Only God could save me from a certain deadly fate, and so rightfully, he sent the devil to rescue me. The sequel to The Devil's Eyes is action packed while still maintaining the same dark romance and suspenseful tone of the first novel.

Salt Sugar Fat Michael Moss 2013-02-26 From a Pulitzer Prize-winning investigative reporter at The New York Times comes the troubling story of the rise of the processed food industry -- and how it used salt, sugar, and fat to addict us. Salt Sugar Fat is a journey into the highly secretive world of the processed food giants, and the story of how they have deployed these three essential

ingredients, over the past five decades, to dominate the North American diet. This is an eye-opening book that demonstrates how the makers of these foods have chosen, time and again, to double down on their efforts to increase consumption and profits, gambling that consumers and regulators would never figure them out. With meticulous original reporting, access to confidential files and memos, and numerous sources from deep inside the industry, it shows how these companies have pushed ahead, despite their own misgivings (never aired publicly). Salt Sugar Fat is the story of how we got here, and it will hold the food giants accountable for the social costs that keep climbing even as some of the industry's own say, "Enough already."

His father has been running the family without issue for decades, but now someone is out to prove that the old man's time to retire has come. Dace's older brother, Michael, is far from interested in taking over. However, Ettore, the second oldest is primed and ready to seize command. Dace is forced to choose between his vivacious brother, Michael, and the malicious Ettore. No matter his choice, his prime interest is protecting his little brother Antony from getting into more trouble than he already has, all the while trying to keep himself from the beautifully tempting, female detective, Austin Reed.

The Weight of Feathers Anna-Marie McLemore 2015-09-15 The Palomas and the Corbeaus have been locked in an escalating feud for over a generation. Both families make their living as travelling performers in competing shows - the Palomas swimming in mermaid exhibitions, the Corbeaus, former tightrope walkers, performing in the tallest trees they can find. Lacey Paloma knows as well as anyone that the Corbeaus are pure black magic. Simply touching one could mean death, and she's been taught from birth to keep away. But when disaster strikes the small town where both families are performing, it's a Corbeau boy, Cluck, who saves Lacey's life. His touch immerses her in the world of the Corbeaus, where falling for him could turn his own family against him, and one misstep can be just as dangerous on the ground as it is in the trees.

Liquid Life: On Non-Linear Materiality Rachel Armstrong 2019-12-11 If we lived in a liquid world, the concept of a "machine" would make no sense. Liquid life is metaphor and apparatus that discusses the consequences of thinking, working, and living through liquids. It is an irreducible, paradoxical, parallel, planetary-scale material condition, unevenly distributed spatially, but temporally continuous. It is what remains when logical explanations can no longer account for the experiences that we recognize as part of "being alive." Liquid life references a third-millennial understanding of matter that seeks to restore the agency of the liquid soul for an ecological era, which has been banished by reductionist, "brute" materialist discourses and mechanical models of life. Offering an alternative worldview of the living realm through a "new materialist" and "liquid" study of matter, it conjures forth examples of creatures that do not obey mechanistic concepts like predictability, efficiency, and rationality. With the advent of molecular science, an increasingly persuasive ontology of liquid technologies can be identified. Through the lens of lifelike dynamic droplets, the agency for these systems exists at the interfaces between different fields of matter/energy that respond to highly local effects, with no need for a central organizing system. Liquid Life seeks an alternative partnership between humanity and the natural world. It provokes a re-invention of the languages of the living realm to open up alternative spaces for exploration: Rolf Hughes' "angelology" of language explores the transformative invocations of prose poetry, and Simone Ferracina's graphical notations help shape our concepts of metabolism, upcycling, and designing with fluids. A conceptual and practical toolset for thinking and designing, Liquid Life reunites us with the irreducible "soul substance" of living things, which will neither be simply "solved," nor go away. Rachel Armstrong is Professor of Experimental Architecture at Newcastle University (UK), and has also been a Rising Waters II Fellow for the Robert Rauschenberg Foundation (April-May 2016), TWOTY futurist in 2015, Fellow of the British Interplanetary Society, and a Senior TED Fellow in 2010. She is also the coordinator of the Living Architecture project, an EU-funded project that establishes the principles for our buildings to share some of the properties of living things, e.g. metabolism, operating at the intersection of architecture, building construction, bio-energy and synthetic biology. She is also the author of Vibrant Architecture (De Gruyter, 2015), Star Ark: A Living, Self-Sustaining Spaceship (Springer, 2017), and Soft Living Architecture: An Alternative View of Bio-informed Design Practice (Bloomsbury, 2018).

Power and Pinstripes Jeff Mangold 2021-06-08 A fascinating look inside the inner sanctum of the Steinbrenner era Yankees No team in American sports has as storied a history as the New York Yankees, winners of 27 World Series. As the strength and conditioning coach for the Yankees for parts of three decades, Jeff Mangold was firmly embedded in building the dynasty of the 1990s and 2000s. In Power and Pinstripes, Mangold shares priceless stories from his 14 seasons behind the scenes in the Bronx. Mangold had a front-row seat to the daily drama of George Steinbrenner's revolving door of managers—Yogi Berra, Billy Martin, and Lou Piniella—in the 1980s. Then, when he returned to the Yankees in 1998, he joined a juggernaut of a team and was tasked with maintaining the health of a star-studded roster including the Core Four of Derek Jeter, Jorge Posada, Andy Pettitte, and Mariano Rivera. Mangold shares personal tales of finding his way with stars like Dave Winfield and Ron Guidry, motivating personalities like David Wells, and facing a thorny challenge that later became a scandal when Roger Clemens and other Yankees arrived at spring training with their own personal strength coaches in tow. Yankees fans will not want to miss this unique perspective on a the franchise during one of baseball's most exciting and controversial eras.

**Off the Clock Roni Loren 2016-01-05** FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF THE LOVING ON THE EDGE NOVELS, THE FIRST IN A SENSUAL NEW SERIES  
Overtime has never felt so good... Marin Rush loves studying sex. Doing it? That's another story. In the research lab, Marin's lack of practical knowledge didn't matter, but now that she's landed a job at The Grove, a high-end, experimental sex therapy institute, she can't ignore the fact that the person most in need of sexual healing may be her. Dr. Donovan West, her new hotshot colleague, couldn't agree more. Donovan knows that Marin's clients are going to eat her alive unless she gets some hands-on experience. And if she fails at the job, he can say goodbye to a promotion, so he assigns her a list of R-rated tasks to prepare her for the wild clientele of The Grove's X-wing. But some of those tasks are built for two, and when he finds Marin searching for a candidate to help her check off her list, Donovan decides there's only one man for the job—him. As long as they keep their erotic, off-the-clock activities strictly confidential and without strings, no one will get fired—or worse, get attached...
