She also brings the last chance for twelve of her mother's closest frenemies, who like to keep their numbers at thirteen. And her daughter, young, innocent, is a worthy gift to the darkness. A circle of friends will support you through bad times. A circle of witches can drag you through hell.

A Dry Spell Susie Moloney 1998 Goodlands, North Dakota, has been suffering a massive drought for the past four years. Farms are in foreclosure, people's livelihoods are on the wane, and the town's beleaguered mortgage lender, Karen Grange, is beginning to think she should pack up and go back to Minneapolis. Then Tom Keatley arrives. He calls himself a rainmaker. Karen thinks he's a drifter. And the townsfolk--well, the townsfolk aren't about to trust the tall, mysterious stranger who wanders their streets, visits their dying farms, and keeps his thoughts to himself. They don't need an out-of-towner surveying their land, hands in pockets, eyes looking at the sky. What they need is rain. What happens to Goodlands when Tom Keatley arrives is as mysterious as the elements. And what he unleashes is much more profound than a storm. There is a mystery behind this terrible drought, and a message, and its unrelenting fierceness can destroy the town of Goodlands. Tom knows this. But Karen does not. Not yet. Tom and Karen's love affair, elemental and profound, is intertwined with the story of a town gripped by fear, and paralyzed by the sickness at its core. Suspenseful and gripping from the first page, *A Dry Spell* is a mesmerizing read.

Gun, with Occasional Music Jonathan Lethem 2003-09-01 A hard-boiled detective tale full of talking animals and murder, from the award-winning author of Motherless Brooklyn and The Arrest. Gumshoe Conrad Metcalf has problems—there's a rabbit in his waiting room and a trigger-happy kangaroo on his tail. Metcalf has been shadowing Celeste, the wife of an affluent doctor. Perhaps he's falling a little in love with her at the same time. The Dwelling Susie Moloney 2003-03-05 The house had history. Perhaps too much history. 362 Belisle Street is a homeowner's dream. A nice neighborhood, close to schools, new hardwood floors, unique original detail. So why then, wonders real estate agent Glenn Darnley, won't this charming property stay off the market? Perhaps the clawed feet of the antique bathtub look a little too threatening. Or maybe it's the faint hospital-like smell of the room off the top of the stairs. It's possible that the haunting music that pours out from under the steps keeps the residents awake at night. In the three parts of Susie Moloney's hair-raising novel The Dwelling, ownership of 362 Belisle changes four times -- with Glenn Darnley brokering each deal. The first occupants are a young couple, Rebecca and Daniel Mason, who have big dreams of wealth and success. It doesn't take long for them to realize that they're not welcome in their new house. After a ghostly seduction and a violent confrontation, the property is once again for sale. Next comes Barbara Parkins, a divorcée, and her unhappy young son, Petey. Lonely and looking for companionship, the two find comfort in some new, playful young friends. When the Parkins family leaves, the house is sold again. Last, ownership goes to Richie Bramley, a drunken writer and lost soul. But like the others, he can't settle down in this house -- which has a mind, and a heart, of its own. For Glenn, however, the house is a dream, always warm and welcoming. The floors gleam, and sun pours in through the windows. Owners come -- and 362 Belisle makes sure owners go. It's waiting patiently for its beloved to realize how much it loves her. It's waiting for Glenn, the very special person who can finally turn this house into a home. The Dwelling is clever, scary, and ultimately moving. It's a novel for everyone who ever spent time looking for just the right house.

Shrieks and Shivers from the Horror Zine William F. Nolan 2015-01-06 Jeani Rector and the Horror Zine have compiled another classic anthology of unsettling and stomach-churning tales in the tradition of Pan Books or Weird Tales, and introduced us to a motley band of new horror talent, some of whom will no doubt become household names in the genre in time. This unrepentant volume reminds us why the small press is such a force in dark literature. "The Horror Zine is the true home of today's visceral, organic horror, and the stories in SHRIEKS AND SHIVERS reflect the courage and imagination with which Jeani Rector has sustained this genre for the past six years. Be prepared to encounter the grue in gruesome, not only brought to you by some very experienced butchers but by some fearless and inspired new dabblers in blood, entrails and other things too horrifying to mention." - Graham Masterton, author of Plague of the Manitou "A potent witch's brew of horror veterans spiced with succulent new blood." - Scott Nicholson, author of The Red Church "The stories in SHRIEKS AND SHIVERS is like a sampling from the weird, visceral darkness of the collective mind. Some of the authors are old friends, reliably creepy friends who deliver exactly what you want. What might surprise the reader is the number of new writers to devour. And there are angles on the human condition from which you never thought to look-and perhaps should not have. Endlessly creative takes on zombies, paranoia, and the monsters within. You'll read this collection long into the night. You might want to fall asleep with the lights on." - Susie Moloney, author of The Thirteen "Jeani Rector has the experience to know horror inside and out. But when he decides to stage a production of *A Midsummer Night's Dream* at a winery, disaster ensues: the woman cast in the lead is the winery owner's wife and has no talent; wildfires encroach upon the surrounding forest; and Roy slips closer to death, one cigarette at a time. *Curtains for Roy* is a hilarious peek into the world of theatre, where the greatest drama is offstage and the best performances take place behind the curtain.
