Rene, el Tigre, & Me Norm Leventhal 2018-02-08 Rene, el Tigre, & Me By: Norm Leventhal After 50 years of private practice in the field of communications law, Norm Leventhal has decided to write the story of how he was fortunate enough to meet the two principal forces in the birth, growth, and maturity of Spanish language television in America and how his law career became thoroughly intertwined with these two giants of Spanish media for more than four decades. It is a story of the development of Spanish language television in the United States – its modest beginnings, the sacrifices made by its pioneers, its growth over the last five decades, and what it took – in financial, business, artistic, and legal talent – to achieve this newfound success. It is also, more importantly, a story of the lessons that the author learned, or should have learned, in his role as counsel to the major players in this achievement. It recounts the highpoints of that effort, as well as the failure in temperament and character that played a part in the mistakes and missteps in judgment that were made in the course of those labors. There are many twists, turns, and unexpected events. Read the entirety of this book and learn something new.

IRS §280e and Its Application to the Cannabis Industry Robert H. Carp 2016-06-01 The emerging medical and recreational cannabis industry is plagued by IRS Code §280E which prohibits normal business deductions due to federal laws concerning Schedule I drugs. The IRS code has hampered the industry, and many fledging dispensary and cultivation facility owners have been faced with ruinous audits, large tax bills, and very few places to turn to get help in reducing the tax burden created by IRS §280E. This book explains how to maximize capitalization of costs, and deals with IRS §263A as well helping newcomers to the business understand how to create costing methods that will withstand scrutiny by the IRS. Within the book is a thorough explanation of this particular tax code along with a number of recommendation on how to reduce its impact. Also included in the book are 7 business cases with income statements, balance sheets, a narrative, and prepared tax returns with notes on how to handle these tax issues. The book also contains the IRS Audit Guide for Cash Businesses, a must read document for anyone struggling with IRS compliance.

You Gotta Be Kidding! Workman Publishing 2020-07-14 Gross, embarrassing, and just plain silly questions about boogers, bugs, smelly socks, itchy scabs, and more! Adapted from the hugely popular board game, this interactive and completely engaging book serves up hundreds of bizarre, embarrassing, sometimes ethical and sometimes stomach-churning dilemmas that kids will love to pose to their friends and siblings, whether in the backseat, on a sleepover, at a party, on a rainy day, or during a lull in the lunchroom (if you dare). Ponder the icky: Would you rather eat 10 pounds of cheese -OR- a bucket of peanut butter—with nothing to drink? The exponentially icky: Would you rather drink liquid found leaking from a garbage can -OR- chew on a hairy clump found between the cushions of an old couch? The fantastic: Would you rather be able to talk with all animals -OR- be able to understand all languages? The priority-testing: As a soccer player, would you rather mess up and score a goal for the other team but still have your team win -OR- play your best game ever even though your team loses? And the hair-raising: Would you rather swim across a river that is filled with crocodiles -OR- spend the night on an island where man-eating tigers live? Fascinating sidebars throughout are filled with interesting ancillary information—the nature of drool, left-handedness vs. right-handedness, what's dangerously filthy and what's just gross, why we blush when we're embarrassed—so kids can learn something as they laugh!

Loud Tana Douglas 2021-02-01 'Douglas's story is a rock history time capsule and a journey of self-discovery all at once.' ROLLING STONE What goes on tour stays on tour -- unless you're the the first woman roadie in the world At just fifteen, Tana Douglas ran away to the circus that was rock 'n' roll in the 1970s, taking a job with a young and upcoming band called AC/DC. While still a teenager she headed to the UK and later the US to work for a who's who of bands and artists. Life on the road was exhilarating, hard work, occasionally surreal but never dull, particularly when you're the only woman in the road crew and the #metoo movement is still 40 years away. Whether wrangling Iggy Pop across Europe, climbing trusses while seven months pregnant, drinking shots of JD with Bon Scott backstage at Wembley, or donning a tailor-made suit to do lights for Elton at Windsor Castle, Tana did it all. Loud is rock 'n' roll like you've never seen it before, by a woman who not only survived the all-male world on the road but climbed to the top and lived to tell the tale. AC/DC * Deep Purple * ELO * Elton John * Ice Cube * Ice-T * Iggy Pop* INXS * Iron Maiden * Lenny Kravitz * Neil Diamond * Ozzy Osbourne * Patti Smith * Pearl Jam * Rage Against the Machine * Red Hot Chili Peppers * Santana * Status Quo * Suzi Quatro * The Offspring * The Police * The Runaways * The Who * Vanda & Young and more!

Blood-Kissed Sky J. A. London 2012-12-26 The second book in a romantic and drama-packed trilogy perfect for fans of Rachel Vincent, Julie Kagawa, and Alyson Noel. Lusciously romantic and full of action-packed drama, readers will be swept away by this thrilling novel. Dawn Montgomery knows that monsters really do come out at night—after all, they are her job. It's just after the thirty-year war between vampires and humans, and as an ambassador between the two sides (a role she inherited when her parents were killed), Dawn quickly learns that balancing schoolwork, teen life, and the requests of Lord Valentine, the most frightening vampire in the region, isn't easy. There's nowhere left to hide. I thought vampires were our enemies—they controlled our lives, isolated our cities, and demanded our blood—until I met Victor. With Victor taking over as the new Lord Valentine, things were supposed to get better. Instead, they're worse than ever. Day Walkers, a new breed of vampires who can walk in the sun, are terrorizing the city. Blood supplies are low, and if Victor's vampires don't get enough, they will become infected with the Thirst—a disease that will turn them into mindless killers. To stop it, I must journey across the desolate wasteland to the very place where the sickness began. I can only hope that the answers that await me are enough to save us all...before it's too late.

High Tide Jude Deveraux 2012-12-11 Fiona is the creator of fashion doll sensation Kimberley, and is quite satisfied with her career-focused life. Yet when her boss informs her that she must win over a new account by going camping with the creator of a hit children's TV show, she is extremely reluctant. Nevertheless, she goes to Florida to meet Roy and his Guide Ace Montgomery. When Roy is found dead with Fiona holding the bloody knife, she becomes the prime suspect - though she has no recollection of what happened. Things get worse when she learns that Roy, until now a stranger to her, left her all the proceeds from his new TV show, giving her a strong motive for murder. Suddenly, she and Ace find themselves on the run, and being condemned by the press for murder. They must prove their innocence by discovering the true motive and murderer of Roy. Fiona and Ace figure out they are linked through her father, and it is then that Fiona learns the secrets of her family's past, turning her world upside down.

ADB International Investment Agreement Tool Kit Tom Kirchmaier 2021-05-01 International investment agreements (IIAs) are important in attracting foreign direct investment, and they are becoming more numerous, varied, and complex. To help policymakers, businesses, and researchers compare and analyze agreements and their implications, the Asian Development Bank (ADB) has created an online database of concluded IIAs involving the Asia and Pacific region. The ADB IIA Tool Kit codifies 15 key investment provisions and includes bilateral investment treaties and investment chapters of free trade agreements. This publication introduces the tool kit and provides a comprehensive analysis of investment treaties and arbitration design.

Looptail Bruce Tip 2014-04-03 Looptail is Bruce Poon Tip's extraordinary first-person account of his entrepreneurial instincts to start and develop G Adventures, the highly successful international travel adventure company - and along the way he reveals his unusual management secrets that not only keep his employees fully engaged and energized but also keep his customers extremely happy. His unique approach has worked in marvellous ways. Poon Tip has created an entirely new and refreshing approach to management. For example, there is no CEO at G Adventures - instead, every employee is a CEO, empowered to make instantaneous decisions to help clients on the spot. But while there's no CEO, there is a company Mayor, who take the pulse of corporate morale. There's no HR department - but there is a Talent Agency and company Culture Club. It hasn't always been easy to try to balance his desire for a socially responsible company along with the desire to generate profits. But thanks to Poon Tip's vision, G Adventures has flourished and has done its best to maintain its looptail approach. In short, it's been an extraordinary ride, and in many ways G Adventures is at the vanguard of what modern-day companies are beginning to look like.

Teaming with Fungi Jeff Lowenfels 2017-01-11 From the bestselling author of *Teaming with Microbes* and *Teaming with Nutrients* *Teaming with Fungi* is an important guide to mycorrhizae and the role they play in agriculture, horticulture, and hydroponics. Almost every plant in a garden forms a relationship with fungi, and many plants would not exist without their fungal partners. By better understanding this relationship, gardeners can take advantage of the benefits of fungi, which include an increased uptake in nutrients, resistance to drought, earlier fruiting, and more. Learn how the fungi interact with plants and how to best to employ them in your home garden.

Colonial Lives Richard E. Boyer 2000 *Colonial Lives* offers a rich variety of archival documents in translation which bring to life the political and economic workings of Latin American colonies during 300 years of Spanish rule, as well as the day-to-day lives of the colonies' inhabitants. Intended to complement textbooks such as Burkholder and Johnson's *Colonial Latin America* by presenting students with primary sources -- the raw materials on which the facts in other textbooks are based -- this reader strives to illustrate the impact of issues such as race, class, gender, sexuality, culture and religion in the daily lives of both natives and colonists alike. The concerns, struggles and perspectives of the inhabitants of colonial Latin America are reflected in transcripts of civil and criminal court cases, administrative reviews, ecclesiastical investigations, Inquisition trials, wills, and letters the editors have included in this reader. Each document is prefaced by an introduction that places it in the social and political context of the period. The book also includes a glossary of terms and lists of suggested further readings. Most uniquely, the book offers helpful thematic cross-referencing sections and an index of themes which allow instructors to easily adapt the book to their courses and to assign readings according to the criteria of their own specific curriculums.
